**Example Response Space for**
**End-of-Course NC Math 1 and NC Math 3**

This is an example of the response space available to record an answer to a gridded response item on the NC Math 1 or NC Math 3 test.

Only 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, ., -, and / are allowed in your answer. Mixed numbers are entered by adding a space after the whole number. Spaces are only allowed between whole numbers and fractions.
