

Your Career Journey Starts Today!

Everyone's career journey looks different. Begin building career experiences today.

Experience the opportunities available to North Carolina's high school students.

In the classroom consider these options: Career and College Promise courses (CCP), Dual Enrollment Courses, Career and Technical Education courses, JROTC

Beyond the classroom, get involved with professional student organizations: Future Farmers of America, Future Business Leaders of America, HOSA – Future Health Professionals and more, athletics, academic clubs and a variety of other extracurricular activities.

Some high schools may offer **internships** within your community. Consider a summer job or internship within your career passion.

Everyone is on a unique journey through their career, whether their path guides them to college or university, military service or the workforce.

North Carolina is home to

16	+	46	+	58	+	32
Public Universities		Private Universities		Community Colleges		Vocational & Technical Schools

The military supports about

10%

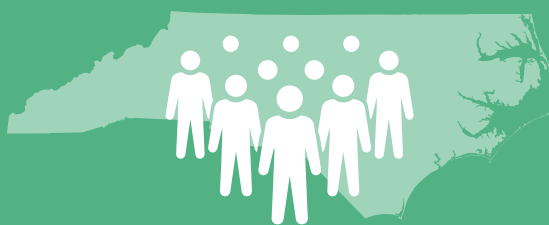

of all North Carolina employment. It is the **second largest** economic sector in the state behind agriculture.

North Carolina's workforce supports over

100,000

nondegree credentials.

Talk to your school staff to begin the conversation.
