2023-24 CTE New Teacher Induction Program

The CTE division of NCDPI is offering five (5) modules to meet the DPI-sponsored staff development requirement for initially licensed CTE teachers:

(1) Effective Curriculum Use  
(2) Instructional Tools and Classroom Management  
(3) Partnerships, Resources, Work-based Learning, and Support  
(4) CTE Proofs of Learning, Data, Assessment, and Teacher Evaluation  
(5) The CTSO Experience

These modules are especially designed for initially licensed Career and Technical Education teachers, but all new CTE teachers are encouraged to participate as each module has been carefully crafted to ensure success in today's CTE classroom. Modules consists of online coursework, live online conferences, and/or face-to-face (F2F) workshops.

CTE New Teacher Orientation Session

In conjunction with the 2023 CTE Summer Conference, there will be a pre-recorded CTE New Teacher Orientation presentation to provide information, clarify objectives, and address common questions that new teachers have regarding the program. The CTE New Teacher Orientation session is highly recommended.
