

North Carolina Individual Student Report

Credit by Demonstrated Mastery–Phase 1

Student Grade: 8
Student ID: 1234567890
Student Name: JANE DOE

Process Date: 08/01/2020
School Name: East Middle

This Individual Student Report provides information about your student's participation in Credit by Demonstrated Mastery–Phase 1. Your student's test score is reflected in this report by a status of either "Phase 1 Met" or "Phase 1 Not Met".

NC Math 1 End-of-Course Test Status

Credit by Demonstrated Mastery allows public school units to give course credit to students (where the students do not complete a set amount of hours of classroom instruction). To complete the Credit by Demonstrated Mastery conditions, students must show proficiency on the multi-phase test. Phase 1 is a standard examination and Phase 2 is an artifact (special project). Proficiency on this test is demonstrated when students show knowledge of course materials at a level that demonstrates (1) a deep understanding of the content standards, and (2) the ability to apply that knowledge.

Student's Score

Phase 1 Met

Students with a score of **Phase 1 Met**:

- Obtained the minimum scale score necessary to demonstrate mastery of the content standards measured on this assessment.
- Are required to complete the requirements for Phase 2 (established locally by the public school unit).
- Will not receive "credit" for the course until Phase 2 is completed successfully.

Students who do not successfully complete Phase 2 will be required to enroll in the course to receive credit and will retake the associated assessment upon completion of the course.

Additional Credit by Demonstrated Mastery information can be found at:
