In July 2021, a committee of North Carolina educators participated in a multi-phase standard setting for the North Carolina NCEXTEND1 alternate assessments of reading in grades 3–8 and English II. The goal of the workshop was to identify cut scores that divide students into three achievement levels for NCEXTEND1 reading (Not Proficient through Level 4).

In August 2021, the State Board of Education (SBE) adopted college-and-career readiness Academic Achievement Standards and Academic Achievement Descriptors for the NCEXTEND1 reading tests. Effective with the 2020–21 school year, the state will report three levels as follows:

<table>
