

2023–24 Question Types by Test

The following tables indicate a summary of question types by test for all state developed tests. Some tests have multiple forms, and these forms may have different combinations of question types. Every student is not expected to see all the different types listed here for each test during a single administration.

TABLE 1. Question type by elementary and middle school test

Test	Multiple-Choice	Numeric Entry	Short Answer (Constructed Response)	Text Replacement	Drag and Drop	Targeted Drop	Item Sets	Multiselect
