

North Carolina Governor's School 2023

MEDICATION ADMINISTRATION PLAN

Completed by Licensed Physician or Medical Staff; Bring with medication(s) on Opening Day.

Student's Full Legal Name: _____

Date of Birth: _____

Please provide information on each medication name, strength (ex: 100 mg), dose (how many pills to be given), and the times the medication is to be given while at Governor's School.

Note: With parental permission, students will be self-administering most prescription medications. GS Wellness Team will monitor self-administration of ADHD medications and store all medications prescribed for pain. Please use back for any additional medications.
