

Honors Policy Planning Tool

Questions	Challenges	Ideas	Next Steps
Have I spoken with district leadership? Who needs to be on the Honors Implementation Team? Who will be the primary person responsible for Honors at the district level?			
How often and through what format will my team meet? What is the communication plan for the Honors team?			
What are the materials/resources needed for my team to begin this work?			
Have I pulled a list of all Honors Courses in my district? Where can I get this information? Are all the courses current?			
Who will I need to involve at the school level? Should this be PLC driven?			
What does my team need to develop a plan for existing Honors level courses? What would this plan need to include?			
What does my team need to create a plan for developing new Honors level courses? What would this plan need to include?			

Honors Policy Planning Tool

How will we collect, evaluate, and share exemplars within my district? Who decides?
