2.) Select Initial or Reevaluation
3.) Enter in the parent response and date from the signed Consent to Evaluate document.
4.) When 'Yes' is selected for the parent response, a required field will appear:

5.) Answer the question yes or no.
6.) If the answer is yes, enter the date (required). Add in any notes in the text box (optional).

The following question is specific to private school students ONLY. Regardless of whether a student is private school or public school status, users should complete the applicable EC processes.

April Child Count 2022 Schedule

Correction and Certification Window	
April Child Count opens for all LEAs, Charter Schools, and SOPs	4/1/2022
Deadline for Certification Status	4/22/2022

EC Directors or Data Managers should review the April 2022 Child Count Report for errors such as duplicate records, incorrect age, grade, setting, and disability. Please remember that when certifying the child count, the EC Director is assuring that all data submitted is accurate.

According to the State Auditors, Directors of Exceptional Children Programs and Lead Administrators of Charter schools must certify the child count data. For this to occur, Directors of Exceptional Children Programs must use their "username" and "password" to log into ECATS to verify and certify the child count data. If the EC Director does not certify the count, a signed and scanned verification form must be submitted to Khalilah O'Farrow-Boulware at khalilah.ofarrow@dpi.nc.gov. All errors must be corrected, and all Public School Units must certify their submissions no later than April 22, 2022.

Thank you for your attention to this vital transfer of information. If you have questions regarding child count procedures or technical issues while submitting the child count, please contact ZenDesk.

Important Federal Reporting Reminder: Submission Timeliness

If your district does not certify the data required for Indicators by the due date, your data may be certified by state staff. The integrity of the data is always at risk when the Department of Public Instruction must finalize the data for your district.
