Indicator 14

Selected Public-School Units are responsible for documenting post school outcomes survey data in ECATS for each student that graduated, dropped out, received a certificate, or aged out during the 2020-21 school year as reported in the 2020-21 Exit Report. All Post-School Outcome survey data are to be entered in ECATS by September 16, 2022. Your cooperation in meeting the deadline for data submission is greatly appreciated. The ECATS Reporting site has access to multiple resources on Indicator 14, including the recorded Indicator 14 training session. You can access these resources from the following link:

Important Federal Reporting Reminder: Submission Timeliness

If your district does not certify the data required for Indicators by the due date, your data may be certified by state staff. The integrity of the data is always at risk when the Department of Public Instruction must finalize the data for your district.
