Upcoming Summer PowerSchool Workshop Opportunities

The NCDPI Home Base Training staff has prepared three summer workshop opportunities for our PowerSchool customers. These sessions will be held onsite, so please hurry and register early.

PowerScheduler Help Sessions

These hands-on help sessions are designed to assist with questions and/or issues regarding your schedule for the upcoming school year. This help session is not intended to be a training session. Ideally, your build and/or load processes should be completed or near completion. Up to 3 people per school may attend.

Only the LEA/Charter SIS Coordinator or designee may register their schools for sessions. It is only necessary to create one registration for each school - not one for each person that may attend. Each registration allows 3 people from that school to attend.

Space is limited. Attendees are to bring a laptop to each session.

****Please note, NCDPI has the right to combine or cancel sessions if not enough attendees register.**

Sessions run 9 a.m. - 4 p.m. each day with lunch on your own.

Dates: May 7, 8, 9, 10, 21, 22

PowerSchool New User Training

This three day workshop is suited for new PowerSchool users (new to PowerSchool) working with day-to-day school business at the data manager/school administrator level. This workshop is available to new elementary, middle, and high school users. This is NOT a teacher training. Participants are expected to attend all three days.

Space is limited. Attendees are to bring a laptop to each session.

**Please note, NCDPI has the right to combine or cancel sessions if not enough attendees register.

Sessions run 9 a.m. - 4 p.m. each day with lunch on your own.

Dates: July 10 - 12, 2018 and August 7 - 9, 2018

PowerSchool New Coordinator Training

This two day workshop is for new PowerSchool coordinators. It is designed to give new coordinators training on the day-to-day operations of a coordinator. Examples include what coordinators are expected to do, what to expect from their data managers, and a walk-through of a year in PowerSchool.

Space is limited. Attendees are to bring a laptop to each session.

**Please note, NCDPI has the right to combine or cancel sessions if not enough attendees register.

Sessions run 9 a.m. - 4 p.m. each day with lunch on your own.
