## **EOY Processing is Complete**

NCDPI would like to extend its appreciation to all NC Home Base users for your support throughout the EOY process. EOY for all Home Base applications is complete. The systems will begin reopening today, July 6, 2018, at 5 p.m. for school year 2018-2019.

While Eddie is back online, the feed to PowerSchool will not be enabled until late next week. All changes made in PowerSchool prior to EOY and after the EDDIE feed was disabled must be updated in

EDDIE. If not, these changes will be overwritten by what is in EDDIE once the feed is enabled, since it is the authoritative source.

Schoolnet has returned to service with an upgrade to version 20.0. This upgrade aligns instructional materials and assessment items to the new Math and ELA standards. For detailed updates, link to <a href="http://bit.ly/SchoolnetUpdatesJune2018">http://bit.ly/SchoolnetUpdatesJune2018</a>.

The TNL/NCEES system's Person Import File has processed and is back on its nightly schedule. Staff may be viewed for verification in TNL/NCEES, however, plan targeting (setting Staff Plan Types) will not be enabled until Monday, July 9, 2018.

If you have any questions or encounter any problems with the Home Base applications, please submit a ticket to the Home Base Support Center through the <u>Remedy OnDemand Portal</u>.

## 2018-19 Home Base Maintenance Schedule
