Adjusting School Calendars

As a courtesy reminder to our LEA and charter partners that may need to make up school days, please review and forward to the appropriate staff the document, [Calendar Change Process.pdf](#). It includes instructions on how to adjust your school calendar during the school year to account for missed school days.

This process involves updates made by the LEA and NCDPI. **Therefore, once your updates are complete, submit a ticket to the [NCDPI Technology Support Center](#) to notify us that you are ready for NCDPI to complete their part of the calendar update process.**
