RTA - Retained Twice Student Listing

NCDPI has installed a new sqlReport4 report into each NC PowerSchool instance titled, RTA - Retained Twice Student Listing. This report will display students that have been twice retained regarding the Read-to-Achieve legislation.

A twice retained student is a student who was in the 3rd grade in the prior (2 years back) school year and is currently in the 4th grade for the current school year. The student is identified in PowerSchool with a retained reading label.
