ESEA TITLE I, PART A – BASIC GRANT (PRC 050)

PROGRAM REPORT CODE: 050
UNIFORM CHART OF ACCOUNTS CODE: XXXX-050-XXX
CFDA #: 84.010A

TYPE: Dollars
TERM: Up to 27 months
PURPOSE: Provides funding to supplement and provide special help to educationally deprived children from low-income families.
ELIGIBILITY: Eligibility is as follows:

Each LEA/charter school is entitled to funding based on the sum of the children (formula children) in the following populations:

- 1) Number of children in poverty, ages five through seventeen, as identified in the most current census data.
- 2) Number of neglected children.
- 3) Number of children in foster homes.

Since there is no census poverty data available for charter schools, the following method for converting the charter school free lunch count to a poverty count has been authorized by the U.S. Department of Education.

- 1) A ratio is developed which defines the proportion of the total state free lunch count to the state total census poverty count.
- 2) The above ratio is then applied to the individual charter school free lunch count to establish a census poverty count for that charter school.

An LEA/charter school is eligible for "Basic" funding, if the number of formula children counted for allocation purposes is at least 10 and greater than two percent of the LEA's/charter school's total population, ages 5 to 17 years.

In addition to the allocation based on the formula children identified above, an LEA/charter school is entitled to funding based on the number of delinquent children.

Application must be approved prior to the LEA receiving the allotment.

FORMULA: Formula is as follows:

The U.S. Department of Education determines the allotment of funds to each LEA. Funds for Title I Basic grant-eligible charter schools are distributed as follows:

- 1) A ratio is developed which defines the proportion of formula children in all eligible charter schools to all formula children in the state.
- 2) The total state allocation is then reduced by the percentage determined in step 1.
- 3) The amount of the reduction is distributed to eligible charter schools on the basis of their individual proportion of formula children enrolled.
- 4) The allocation to each LEA/charter school is then reduced by the reserve for school improvement and state administration.

HOLD HARMLESS:

- 1) An LEA/charter school shall receive not less than 95% of the amount of funds received last year if the number of formula children is not less than 30% of the total number of children ages 5 to 17.
- 2) An LEA/charter school shall receive not less than 90% of the amount of funds received last year if the number of formula children is between 15% and 30% of the total number of children ages 5 to 17.
- 3) An LEA/charter school shall receive not less than 85% of the amount of funds received last year if the number of formula children is below 15% of the total number of children ages 5 to 17.

An LEA/charter school must meet the eligibility requirements in order for the hold harmless provisions to apply.

SPECIAL PROVISION:

- 1) Each grant can be awarded for a period of time beginning July 1st and ending September 30th of the following year. The Tydings Amendment can extend the grant period to 27 months by allowing unexpended funds as of September 30th to carry over for an additional 12 months. Funds are potentially available to LEAs/charter schools for 27 months, provided a timely budget is submitted each year. **Carryover funds are subject to applicable carryover percentage limitations.**
- 2) Program Administrators will notify the School Allotments Section of any LEA/charter school that does not have an approved application for funding by November 30th. After this notification, funds carried forward will be reduced from the LEA's / charter school's budget.
- 3) If an LEA/charter school receives an allocation greater than \$50,000 (total of Title 1 Basic, Concentration, Education Finance Incentive and Targeted funds), the amount of funds available for carryover into the following year (after September 30th) is limited to 15% of the current year's allocation. Funds in excess of percentage limitations will revert and be reallocated to eligible LEAs/charter schools unless a waiver is received and approved.
- 4) An LEA may request in writing to the Section Chief for Federal Program Monitoring, Federal Program Monitoring and Support Division for a waiver of the carryover percentage to be granted.

- a) Absent approved flexibility from the U.S. Department of Education, DPI may only grant a waiver once every three years if it is determined that the request is reasonable and necessary or if supplemental appropriations become available.
 - b) If flexibility is approved by the U.S. Department of Education, DPI may grant a waiver more than once every three years, provided that the request is reasonable and necessary or if supplemental appropriations become available.
- 5) In fiscal year 2008-09, the administration cap was increased to 12% of the allotment. If the allowable administrative expenditures for the current fiscal year are less than the 12% administration cap, the difference can be carried over, on June 30, to the following fiscal year. Any administration carryover will be added to the administration cap in the following fiscal year.
- 6) An LEA/charter school may request in writing to the Section Chief of Federal Program Monitoring, that a waiver of the administrative and support percentage be granted. A waiver may be granted if it is determined that the request is reasonable and necessary due to extraordinary circumstances or fluctuations in funding.
- 7) If an LEA or charter elects to waive their allotment or if an application cannot be approved by the application deadline, the funding amount for which that LEA or charter was eligible will be reallocated as follows:
- a) Eligibility Guidelines:
 - i) The LEA/Charter must be eligible for and approved to receive Title I funds in the current year.
 - b) Re-Allocation Formula:
 - i) Additional funds available will be allocated to LEAs/Charter schools approved to receive Title I funds for the current year based on a percent to total of their current year allocation.
- 8) No funding may be utilized beyond the expiration of the period of availability of the specific award from which funds were allotted.

A plan must be submitted that provides assurances that the LEA/charter school/state-operated program meets each of the conditions in section 613(a) of the IDEA. Grant application with established eligibility must be approved prior to the LEA/charter school/state-operated program receiving the allotment.

FORMULA: Formula is as follows:

- 1) Base payments:
 - a) Each LEA shall receive a base amount equal to a proportional share of 75% of the FY 1999-2000 IDEA Title VI-B grant. The LEA's portion is calculated based on the December 1998 child count.
- 2) Base payment adjustments for any fiscal year after the base year fiscal year are adjusted:
 - a) If a new LEA or charter school is created, the LEA's base allocation shall be divided among the new LEA or charter school and affected LEA based on the relative numbers of children with disabilities ages 3 through 21 contained in the most current December 1st child count.
 - b) If one or more LEAs are combined into a single new LEA, the base allocations of the merged LEAs shall be combined.
 - c) If the LEA's geographic boundaries or administrative responsibility for providing services to children with disabilities ages 3 through 21 are changed, the base allocations of affected LEAs shall be redistributed among affected LEAs. The base will then be based on the relative number of children with disabilities from ages 3 through 21 contained in the most current December 1st child count.

- d) If a PSU has a base payment of zero in its first year of operation, its base payment must be adjusted for the first fiscal year after the first annual child count in which the LEA reports that it is serving any children with disabilities.
 - e) If a charter school significantly expands enrollment in a fiscal year, its base payment must be adjusted to ensure that it receives the proportionate amount of funds for which it is eligible under the formula.
- 3) Funds remaining after distribution of the base shall be allocated as follows:
- a) Eighty-five percent (85%) of remaining funds shall be allotted to those agencies on the basis of ADM of children enrolled in public and private elementary and secondary schools within each agency's jurisdiction.
 - b) Fifteen percent (15%) of remaining funds shall be allotted to those agencies in accordance with their relative numbers of children living in poverty, as determined by the December 1st free lunch count.
- 4) Set Aside and Risk Pool:
- a) If the actual amount set aside for State administration is over \$850,000 and the State will use funds from its award to support a high-risk pool, the maximum amount the state may set aside is 10% of the grant award. North Carolina supports a Risk Pool and Out-of-District Placement Program. These funds may also be used for state level activities in the description of the Use of Funds under Part B of the Individuals with Disabilities Education Act – 20 U. S C. 1411(e)(5); 34CFR, Section 300.171.

SPECIAL PROVISION:

- 1) Each project can be awarded funds for a period of time beginning July 1st and ending September 30th of the following fiscal year. The Tydings Amendment can extend the grant period to 27 months by allowing unexpended funds as of September 30th to carry over for an additional 12 months. Funds are potentially available to LEAs/charter schools/state operated programs for 27 months, provided a timely project application is submitted each year.
- 2) Each LEA/charter school/state operated program must maintain documentation that it has spent the same minimum amount (on the average) for the education of its children with disabilities as the LEA/charter school/state operated program has spent for all the children in the LEA/charter school/state operated program taken as a whole before any IDEA VI-B funds are used for the education of children with disabilities.
- 3) Program Administrators will notify the School Allotments Section of any LEA/charter school that does not have an approved budget by October 31st. After this notification, funds carried forward will be reduced from the LEA's/charter school's budget based on the results of a Hearing.

disproportionate under 300.646(a) of the IDEA regulation. The IDEA also requires the LEA to review and, if appropriate, revise policies, practices, and procedures as describe under 300.646(b)(1) of the IDEA regulations.

- 6) Funds are transferred under two conditions: (1) LEAs with significant disproportionality will have 15% of their current year total IDEA allocation (PRC 049 and 060) transferred to Program Report Code 070 – Coordinated Early Intervening Services – IDEA 2004. This fund transfer directive comes from the Exceptional Children Division annually of all LEAs with significant disproportionality. (2) LEAs may request permission for "permissive use" of up to and including 15% of their total IDEA 2004 allocation (PRC 049 and 060) for Coordinated Early Intervening Services from the Exceptional Children Division. IDEA – COORDINATED EARLY INTERVENING SERVICES (CEIS) (PRC 070)

PROGRAM REPORT CODE: 070
 UNIFORM CHART OF ACCOUNTS CODE: XXXX-070-XXX
 CFDA #: 84.027

TYPE: Dollars

TERM: Up to 27 months

PURPOSE: CEIS is used to develop and implement coordinated, early intervening services. IDEA federal regulations mandates 15% of an LEA, charter school, or state-operated program's total annual IDEA allocation (PRC 049 and 060) is set-aside for any LEA, charter school or state-operated program with significant disproportionality based on race and ethnicity with respect to the identification of children with disabilities including particular impairment; the placement in particular educational settings of children; and the incidence, duration and types of disciplinary actions, including suspension and expulsions. **This legislation also requires states to monitor the expenditure of CEIS funds. Services provided for non-disabled students for CEIS should be purchased through Program Report Code (PRC) 070.**

ELIGIBILITY: All LEAs, charter schools, state-operated programs mandated to use 15% of their total IDEA funds (PRC 049 and 060) and LEAs, charter schools and state-operated programs electing to use up to and including 15% of their total IDEA funds (PRC 049 and 060) permissively for CEIS are eligible. For permissive use of funds, the funds may be used for students in kindergarten through grade 12 (with particular emphasis on students in kindergarten through grade 3) who have not been identified as needing special education or related services.

FORMULA: The formula for mandated CEIS is 15% of the LEA, charter school or state-operated program's current year total IDEA allotment (PRC 049, 060) transferred to PRC 070. The formula for permissive CEIS is up to and including 15% of the LEA, charter school or state-operated program's current year total IDEA allotment (PRC 049 and 060) transferred to PRC 070.

SPECIAL PROVISION:

- 1) For non-mandatory CEIS LEAs, funds can be reverted (between July 1 and January 15 of the initial fiscal year of the allocation) from PRC 070 to PRC 060. Funds may only be expended according to the approved budget.
- 2) Expenditures for Coordinated Early Intervening Services should be from PRC 070.
- 3) Coordinated Early Intervening Service expenditures must be based on scientifically research-based programs selected by the LEA, charter school or state-operated program for students in general education at risk of placement in special education. The 15% provided for these programs is federally mandated for any LEA, charter school or state-operated with significant disproportionality by disability, or race-ethnicity, but this does not prohibit other LEAs, charter schools or state-operated programs from using up to and including 15% of their total IDEA funds for Coordinated Early Intervening Services.
- 4) Funds are specific and all unused funds not encumbered by June 30th are carried over to next year. Although calculated on the total IDEA allocation (PRC 049 and 060), the 15% for Coordinated Early Intervening Services is taken from the initial PRC 060 allocation, thus reducing the initial allocation annually. The 15% for Coordinated Early Intervening Services cannot be based on carry-over funds from prior year initial allotments. Each project can be awarded funds for a period of time beginning July 1st and ending September 30th of the following year. The Tydings Amendment can extend the grant period to 27 months by allowing unexpended funds as of September 30th to carry over for an additional 12 months. Funds are potentially available to LEAs for 27 months, provided a timely project application is submitted each year. The 15% of total IDEA funds for Coordinated Early Intervening Services follows the same liquidation period. Federal regulations require 15% be set-aside annually for all mandated CEIS.
- 5) Exceptional Children Division will, after review of necessary data, assign technical assistance to LEAs not following state and federal guidelines regarding the use of these federal funds.
- 6) Positions paid with these funds are subject to time and effort requirements.
