

Federal FY25 (GY26) Funding

On Monday, June 30, 2025, NC DPI received an email from the US Department of Education explaining that July 1 Grant Award Notifications (GANs) obligating funds for these programs would not be sent:

- Title I-C (PRC 0051)
- Title II (PRC 0103)
- Title III (PRC 0104)
- Title IV-A (PRC 0108)
- Title IV-B (PRC 0110)

DPI is posting revised federal planning allotments that do not include these funds. At this time, DPI does not know if these funds will be received for the FY 2025-26 Grant Year. We do not believe, as of today, that this action by US Ed will affect your previous grant years' remaining balances in these programs.

GANs Received

DPI has received GANs for the following federal programs:

- Title I-A (PRC 0050)
- IDEA – Part B (PRC 0060)
- IDEA – Part B Preschool (PRC 0049)
- McKinney-Vento Homeless Education (PRC 0026)
- CTE (PRC 0017)

The initial review of these GANs is that the amounts are substantially the same as the amounts used to calculate federal planning allotments. After the DPI team finalizes the PSU portion of these Grant Awards, we can provide more definitive data and execute the allotments for these programs.
