

Evidence of Educational Need

Ascend Leadership Academy (ALA) seeks to grow the self-efficacy, intellectual understanding, and social competence of all of our students. ALA will accomplish this by applying innovative teaching methods, incorporating student cultural realities, and cultivating student ownership in the learning community.

By applying our dynamic instructional model we believe that we will provide students of Durham County with a learning experience unique to any other school within the district. Although there are a number of charter schools in Durham County there is no secondary (6-12) charter schools located in the 27703 zip code. This zip code encompasses the Oak Grove, Bethesda, and a portion of the Brier Creek area of Durham County. According to the American Community Survey by the US Census Bureau this area of Eastern Durham has grown by 12% since 2010, going from a population of 41,937 in 2010 to 47,144 in 2014. This population growth is expected to continue throughout the decade. This is supported by an influx of new housing developments between Highway 70 and Highway 98 in Eastern Durham. With this expected growth, ALA seeks to provide a school of choice option for this community that represents the cultural and social diversity of Eastern Durham.

The educational need for Ascend Leadership Academy in Durham County is grounded in the fulfillment of the purposes of Charter Schools in North Carolina; outlined in NC charter school statute GS 115C-218.

Expanded Choices

Ascend Leadership Academy intends to offer families in Durham County expanded choices in the types of educational opportunities offered in Durham County. Currently, there is an increased demand for schools of choice in Durham. This is evident in the number of students on waitlists at the various charter schools in the county. The table below displays waitlist data for Voyager Academy in Durham, NC:

Grade	14-15 school year	15-16 school year	16-17 school year
6th	289	217	263
7th	157	119	112
8th	123	136	131
9th	208	147	193

ALA intends to market to these families and give them another option for their middle and high school aged children. In conjunction with this, there is only one school in the Durham area that offers the *Leader in Me* program to secondary students. ALA will distinguish itself from this school by infusing the *Leader in Me* principles with core academic courses to encourage students to make connections between their own lives and the academic curriculum. We will combine the *Leader in Me* program with project based learning techniques to create our innovative Project Based Leadership (PBL) pedagogy. PBL will give students a unique academic experience that is only available at Ascend Leadership Academy.

ALA will also offer a comprehensive digital media curriculum. Our Digital media curriculum will include topics like animation, graphic design, audio/video production, and web design. Currently, there is no high

school in the Durham County that specializes in Digital Media. The location of the charter is also strategic for the development of partnerships with local technology companies in the Research Triangle Park area. ALA will provide opportunities for students who would like to be exposed to the latest software and equipment that will help prepare them for the 21st Century. These unique experiences will prepare students for an emerging digital world and give them real-world skills that can be applied to future careers in digital media, communications, and broadcasting.

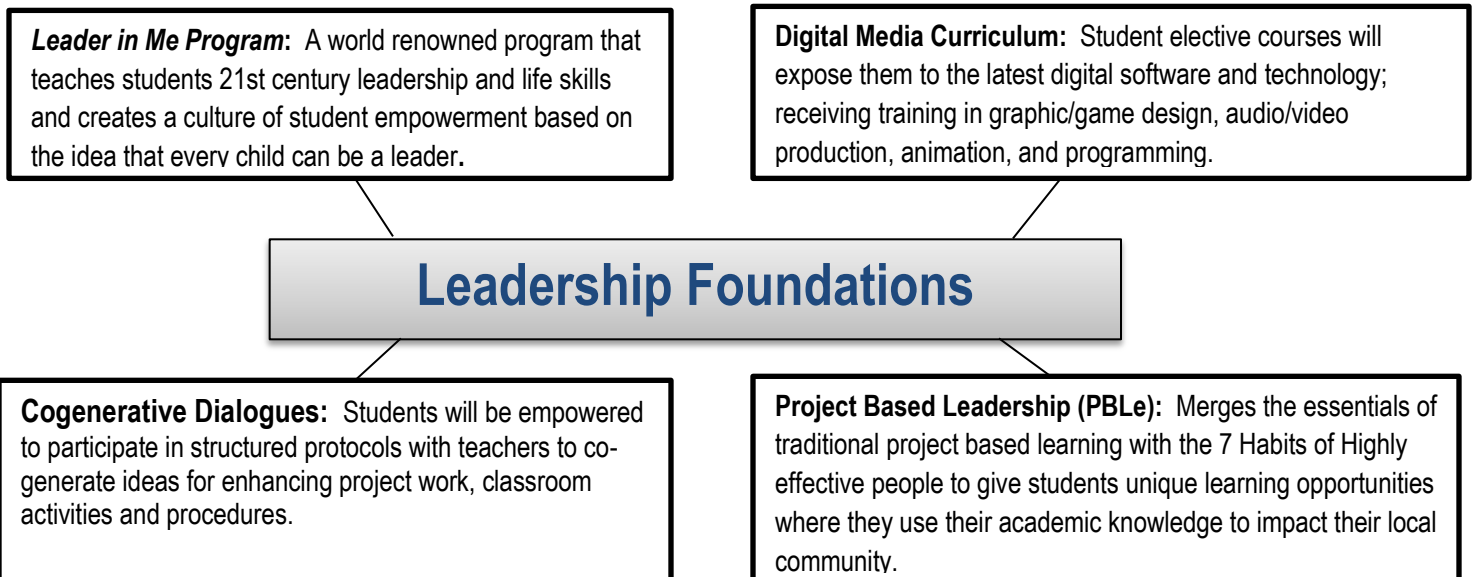

When surveyed an overwhelming majority of citizens from the targeted demographic stated that they believed Eastern Durham County residents would benefit from a charter school focused on building student leadership and life skills.

Innovative Pedagogy and Instructional Methods

Ascend Leadership Academy’s four point instructional model is designed to encourage student empowerment and ownership within the learning community. ALA will offer an innovative instructional model that does not currently exist for secondary students in Durham County. The diagram below outlines the unique features of our educational program:

Meeting Student Measurable Achievement Results

ALA plans to service students in grades 6-12 in the Oak Grove, Bethesda, and Brier Creek area of Durham County. This decision was partially based on the achievement results of Durham County secondary schools in the area. Durham County secondary schools have consistently performed below state averages on End of Grade/Course assessments. For the 2014-15 school year, Neal had an overall Achievement score of 27 (27 Reading, 17 Math, 50 Science) with an "F" as their overall school performance grade. Lowes Grove had an overall Achievement score of 28 (33 Reading 17 Math 39 Science) with an "F" as their overall performance grade. Southern High School achieved an overall performance score of 41 with a "D" as their overall performance grade. Ascend Leadership Academy intends to provide an educational program that helps contribute to the improvement of these results for students in the county. We believe that by executing intensive research based instructional model student achievement will increase. We will enact benchmark assessments to measure student progress throughout the school year. We will use this formative assessment data to refine and adapt core instruction while also identifying students who need targeted and intensive interventions. Teachers and administrators will also be trained in how to effectively use EVAAS data through SAS. By using this data, teachers will be able to make sound instructional choices to ensure every student can succeed. We will also create a learning environment where every stakeholder feels responsible for the success and achievement of every student. This will be supported by our small “family like” atmosphere that is characteristic of schools that implement the *Leader in Me* program. ALA is also willing to work with the local LEA to find additional ways to increase student achievement across the school district.

When surveyed, many Durham residents agreed that they would consider applying to a tuition free public charter school if it opened in Eastern Durham:

Would you consider applying to a tuition free public charter school if it opened in your area?

All survey data is based on surveys conducted through ALA’s Social Media network and the school’s website (www.ascendleadershipacademy.org). The Board of Directors targeted residents in Eastern Durham County who may be interested in applying to a tuition free charter school. A large majority of the survey participants learned about our school via *Nextdoor*, an online social network site that connects residents of specific neighborhoods or communities. One of ALA’s board members lives in the Oak Grove area and shared through the *Nextdoor* network for Ravenstone, Grove Park, Brightleaf, and Brightwood Trails communities. All of which are in the Oak Grove and Bethesda area of Durham. These residents were asked a series of questions based on our educational program. As a part of our survey we asked participants to join our mailing list if they would like to receive periodic emails updates about the school. Currently ALA mailing lists consists of 25 individuals. Upon charter approval we plan to utilize this mailing list to recruit applicants to our school.

Comments from Survey participants:

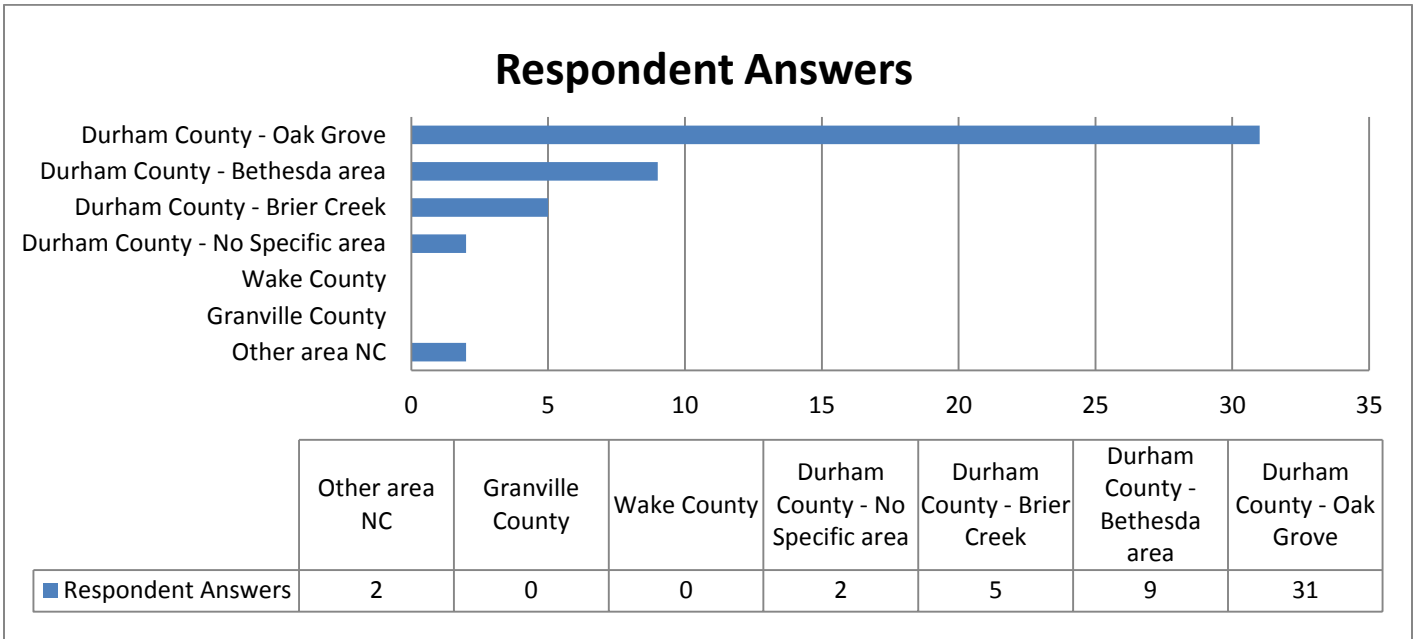

“This will sure give us more choices as far as middles are concerned in this area.”

“I love the idea of a charter school that would be closer to our area.”

“At present our child is in 8th grade in a private school. At this time we have no other choice but to send him to a private Christian high school. This will present a very great hardship on our family. Our choices are extremely limited.”

“I am interested is serving on any committees that you have to prepare for the opening of this charter middle school. I have children in all age ranges 17, 16, 9 and 2 and I can provide great input regarding the middle school experiences that I have had. Thank you and please include me in any future meetings if possible.”

3. Investments. In investing and dealing with all assets held by the Corporation for investment, the Board shall exercise the standard of care described above in Paragraph D.1. and shall consider among other relevant considerations the long and short term needs of the Corporation in carrying out its purposes, including its present and anticipated financial requirements. The Board may delegate its investment

Any Trustee violating this confidence may be removed from the Board.

ARTICLE VII: OFFICERS

A. Officers. The Officers of the Corporation consist of a Chairman (hereinafter "Chairman"), Vice Chairman (hereinafter "Vice Chairman"), a Secretary and a Chief Financial Officer (hereinafter "Treasurer"). The Corporation also may have such other officers as the Board deems advisable.

1. Chairman . Subject to Board control, the Chairman has general supervision, direction and control of the affairs of the Corporation, and such other powers and duties as the Board may prescribe. If present, the Chairman shall preside at Board meetings. The Chairman will be an authorized joint signer of all checks.

2. Vice Chairman . If the Chairman is absent or disabled, the Vice Chairman shall perform all the Chairman's duties and, when so acting, shall have all the Chairman's powers and be subject to the same restrictions. The Vice Chairman shall have other such powers and perform such other duties as the Board may prescribe.

3. Secretary. The Secretary shall: (a) keep or cause to be kept, at the Corporation's principal office, or such other place as the Board may direct, a book of minutes of all meetings of the Board and Board Committees, noting the time and place of the meeting, whether it was regular or special (and if special, how authorized), the notice given, the names of those present, and the proceedings; (b)

The Treasurer will be authorized to sign checks.

B. Election, Eligibility and Term of Office.

1. Election. The Board shall elect the Officers annually at the Annual Meeting or a Regular Meeting designated for that purpose or at a Special Meeting called for that purpose, except that Officers appointed to fill vacancies shall be elected as vacancies occur.

2. Eligibility. A Trustee may hold any number of offices, except that neither the Secretary nor Treasurer may serve concurrently as the Chairman.

3. Term of Office. Each Officer serves at the pleasure of the Board, holding office until resignation, removal or disqualification from service, or until his or her successor is elected.

C. Removal and Resignation. The Board may remove any Officer, either with or without cause, at any time. Such removal shall not prejudice the Officer's rights, if any, under an employment contract. Any Officer may resign at any time by giving written notice to the Corporation, the resignation taking effect upon receipt of the notice or at a later date specified in the notice.

ARTICLE VIII: NON-LIABILITY OF TRUSTEES

The Trustees shall not be personally liable for the Corporation's debts, liabilities or other obligations.

ARTICLE IX: INDEMNIFICATION OF CORPORATE AGENTS

The Corporation shall, to the fullest extent now or hereafter permitted by and in accordance with standards and procedures provided by the North Carolina Nonprofit Corporation Act and any amendments thereto, indemnify any person made, or threatened to be made, a party to any action or proceeding by reason of the fact that he, his testate or intestate was a Director, Officer, employee or agent of the Corporation, against judgments, fines, amounts paid in settlement and reasonable expenses, including attorneys' fees.

ARTICLE X: CONFLICT OF INTEREST POLICY

Any Trustee, Officer, or Committee member having an interest in a contract, other transaction or program presented to or discussed by the Board or Board Committee for authorization, approval, or ratification shall make a prompt, full and frank disclosure of his or her interest to the Board or Committee prior to its acting on such contract or transaction. Such disclosure shall include all relevant and material facts known to such person about the contract or transaction that may reasonably be construed to be averse to the Corporation's interest. The body to which such disclosure is made shall thereupon determine, by majority vote, whether the disclosure shows that a conflict of interest exists or can reasonably be construed to exist. If a conflict is deemed to exist, such person shall not vote on, nor use his or her personal influence on, nor be present during the discussion or deliberations with respect to, such contract or transaction (other than to present factual information or to respond to questions prior to the discussion). The minutes of the meeting shall reflect proceedings, including the disclosure made, the vote thereon and, where applicable, the abstention from voting and participation. The Board may adopt formal policies requiring:

1. Regular annual statements from Trustees, Officers and key employees to disclose existing and potential conflicts of interest; and
2. Corrective and disciplinary actions with respect to transgressions of such policies. For the purpose of this section, a person shall be deemed to have an "interest" in a contract or other transaction if he or she is the party (or one of the parties) contracting or dealing with the Corporation, or is a Director, Trustee or Officer of, or has a significant financial or influential interest in the entity contracting or dealing with the Corporation.

ARTICLE XI: OTHER PROVISIONS

A. Fiscal Year. The fiscal year of the Corporation begins on July 1 of each year and ends June 30.

B. Execution of Instruments. Except as otherwise provided in these Bylaws, the Board may adopt a resolution authorizing any Officer or agent of the Corporation to enter into any contract or execute and deliver any instrument in the name of or on behalf of the Corporation. Such authority may be general or confined to specific instances. Unless so authorized, no Officer, agent or employee shall have any power to bind the Corporation by any contract or engagement, to pledge the Corporation's credit, or to render it liable monetarily for any purpose or any amount.

C. Checks and Notes. Except as otherwise specifically provided by Board resolution, checks, drafts, promissory notes, orders for the payment of money, and other evidence of indebtedness of the Corporation may be signed by the Chairman of the Board, the Principal/Managing Director, Treasurer, or other Trustee. Such items for amounts of \$2,000.00 or greater must be signed by two of these individuals.

D. Construction and Definitions. Unless the context otherwise requires, the general provisions, rules of construction, and definitions contained in the North Carolina Nonprofit Corporation Act and the Education Law shall govern the construction of these Bylaws. Without limiting the generality of the foregoing, words in these Bylaws shall be read as the masculine or feminine gender, and as the singular or plural, as the context requires, and the word "person" includes both a corporation and a natural person. The captions and headings in these Bylaws are for reference and convenience only and are not intended to limit or define the scope or effect of any provisions.

E. Interpretation of Charter. Whenever any provision of the Bylaws is in conflict with the provisions of the Charter, the provisions of the Charter shall control.

ARTICLE XII: AMENDMENT

A majority of the Trustees may adopt, amend or repeal these Bylaws. Proposed amendments must be submitted to the Secretary to be sent out with regular Board announcements.

SECTION 6.

The disinterested directors are authorized to impose by majority vote other reasonable sanctions as necessary to recover associated costs against a director, officer, or staff member for failure to disclose a conflict of interest as described in Section 1 or for any appearance of a conflict.

Charter School Advisory Council

To whom it may concern,

Ascend Leadership Academy Sanford (ALAS) and Hubrich Holdings, LLC have been discussing a partnership for a lease/purchase agreement with Hubrich Holdings being the developer/owner of a new charter school located in Sanford, Lee County, North Carolina. We were approached by the school after hearing of the work we have done for other charter schools. We began discussions in July 2016 at the NC Charter School Conference, and Hubrich and ALAS have been discussing and reviewing finance structures for a lease/purchase arrangement and potential sites for development of a new charter school. Given all the complexities with zoning, traffic, and land availability, Hubrich has been engaged and offered insight as to positives and negatives of different sites to help provide guidance for acceptable site criteria that will work within the schools budget going forward. We have reviewed the budget and it seems reasonable given other charter school projects we have been involved with.

Initially the plan would be to identify property and get the school started on a temporary site for one to two years prior to starting construction on a permanent school facility.

Please do not hesitate to call me if you have any further questions.

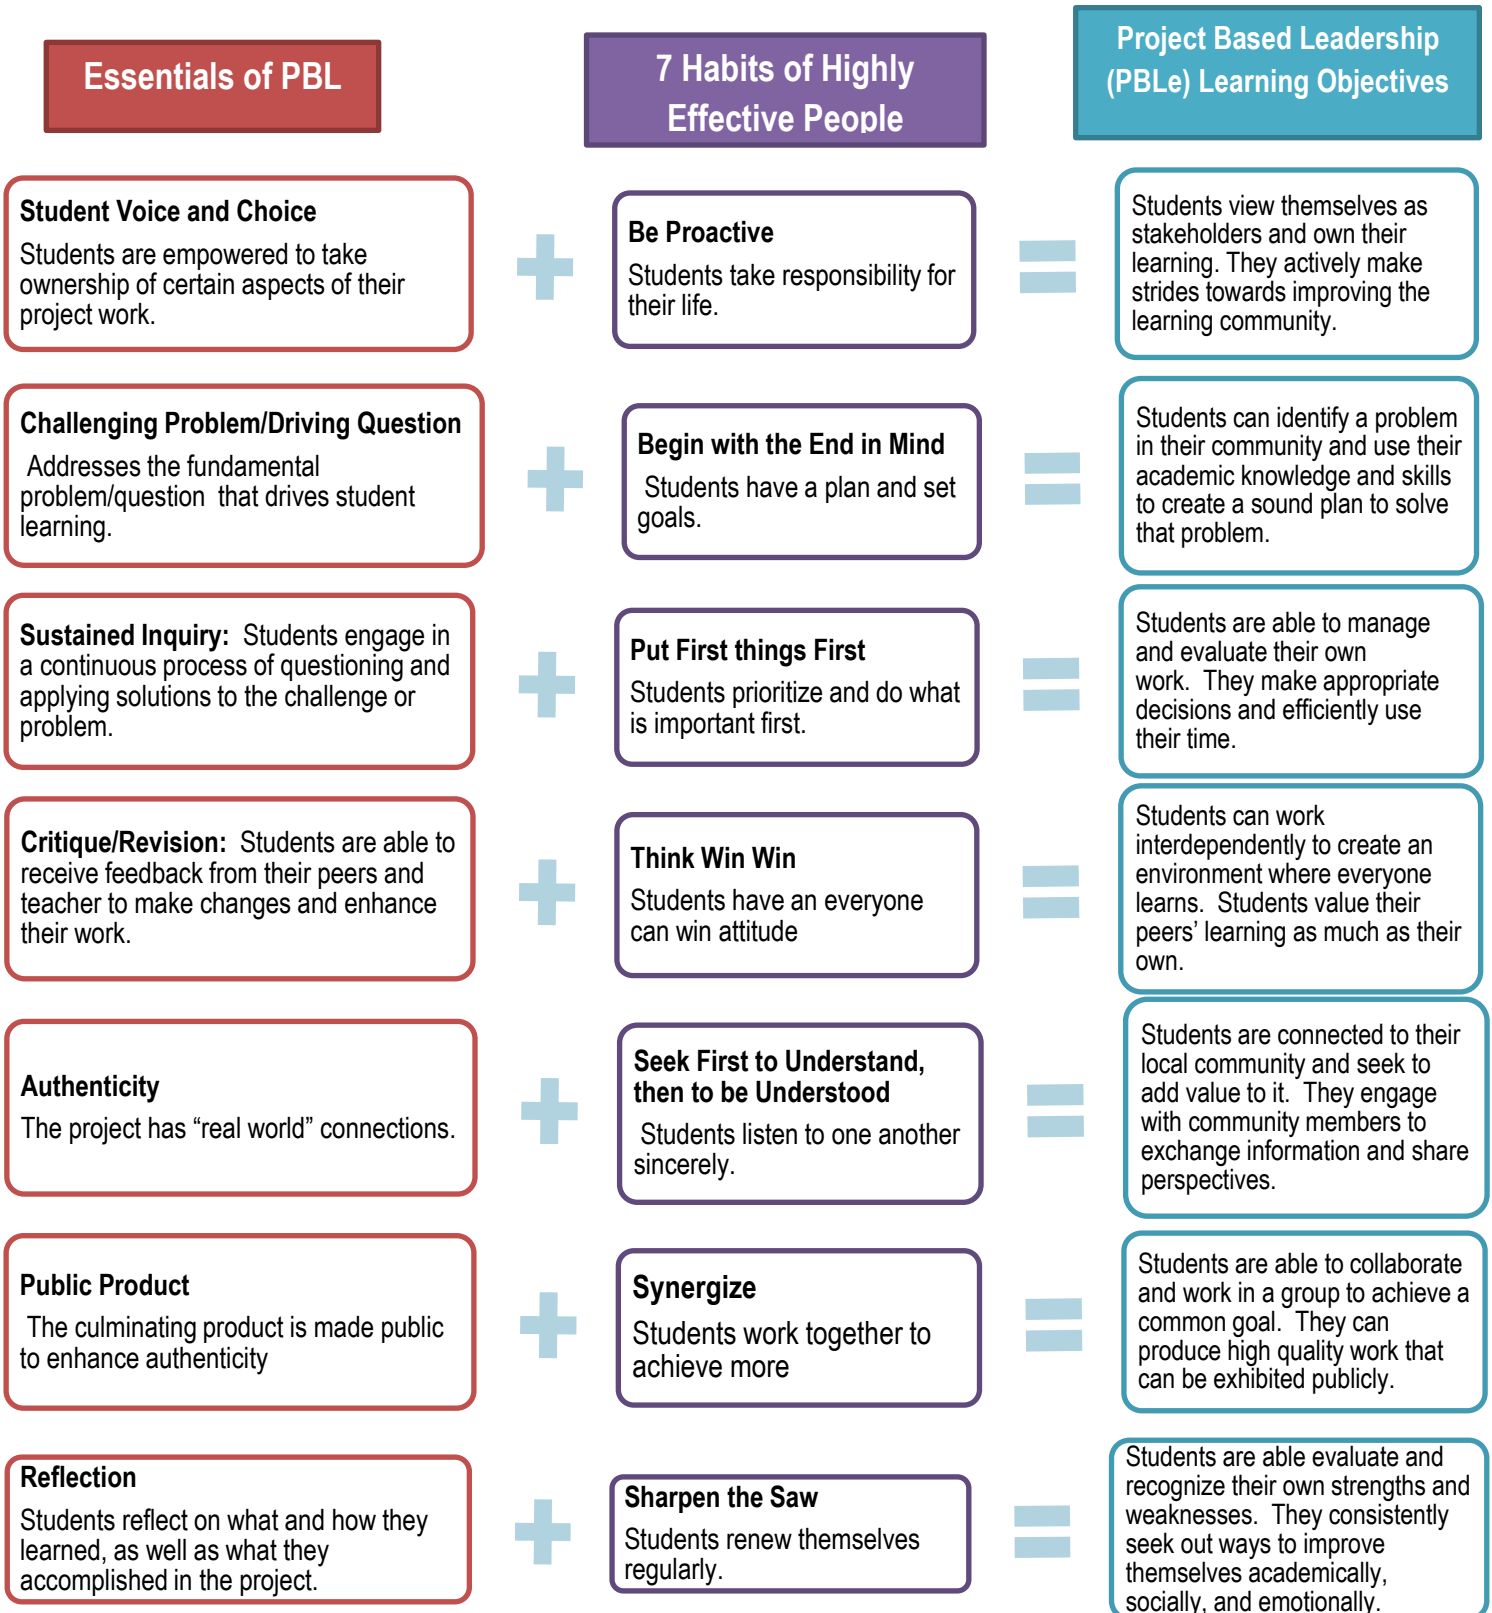

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Hubrich". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Charter School Advisory Board,

For the 2018-19 North Carolina charter school application cycle, the Board of Directors for Ascend Leadership Academy has submitted two applications for two different school locations. We have identified Lee County and Eastern Durham (Oak Grove and Bethesda) as the targeted demographics for our respective applications. With the charter school experience on the Board of ALA, we are confident that we can successfully open and operate both schools upon approval by the State Board of Education. We recognize the magnitude of this undertaking and are prepared to make the necessary arrangements to ensure that both schools have the necessary oversight to successfully service our students and execute our unique, innovative pedagogy.

When both schools receive approval from the State BOE we will:

- Hire a Managing Director to oversee and manage both schools
- Hire Building Principals from the targeted areas to execute the day to day operations and mission of Ascend Leadership Academy.
- Work with our selected Financial Management Firm to ensure that both schools have separate budgets that are fiscally responsible
- Work with our selected Real Estate Developer to make a land purchase for both sites and begin development of both school’s permanent facilities.

Another determining factor in the submission of two applications was the connection of many of our Board Members to both the Durham and Lee County communities. The chart below gives further detail about these connections.

Board Member	Connection to Durham and Lee County
Board Chairman	Resides in Durham County and served as the founding Board Chairman of Voyager Academy in Durham. Has several business connections within the Sanford (Lee County) community specifically in Real Estate development.
Board Vice Chairman	Provided professional development for teachers at the previous charter school in Lee County (Provisions Academy). Currently, serves as Coordinator for Faculty Professional Development at North Carolina Central University in Durham.
Board Treasurer	Graduated from Duke University in Durham and has been involved in Durham community through her work with Zeta Phi Beta inc. Currently, holds Leadership position in Production Operations at Pfizer in Lee County. Pfizer is one of the major employers in Lee County and is deeply connected to the community.
Board Member at Large	Grew up in Sanford and attended Lee County Schools for Elementary, Middle, and High School. This board member also has family who live in Lee County currently. At the present, resides in Eastern Durham (Oak Grove) and works as a school administrator at Voyager Academy in Durham.

Please consider this information when making your charter approval decisions.
