Charter school input session

Dr. Melissa Grimes of Soaring Eagles Academy is hosting an informational session regarding the possibility of a charter school operating in the H.B. Sugg Community Center from 6:30-8 p.m. July 18 at the Farmville Community Center. Refreshments will be served. For more information, call Carrie Baker at 252-753-3116.
Academy may open in H.B. Sugg Community Center

By Donna Marie Williams, Staff Writer

FARMVILLE - Soaring Eagle Academy is in the process of opening in the H.B. Sugg Community Center.

The school is a K-3 academy that will serve students in Pitt, Wilson and Greene counties.

The school is a charter school and will be run by the Soaring Eagle Academy board, which is made up of parents and community members.

The school is expected to open in August 2020 and will serve approximately 100 students.

Parent Roy Grimes said he believes the academy will be a success because it will offer an alternative to traditional public schools.

"I've been working with charter schools for years," Grimes said. "I believe they offer a better education for students."
The school will also use the money from the shop to help 
other students when they need it. If a student is having a hard 
time, we can use the money from the shop to help them. 

If you would like to help out, please come by and see us. 
We would love to have you here!

Total Budget: Revenue Projections Year 1 through Year 5

All per pupil amounts are from the most current information and would be approximations for Year 1.

Federal funding is based upon the number of students enrolled who qualify. The applicant should use caution when relying on federal funding in year one to meet budgetary goals.

These revenue projection figures do NOT guarantee the charter school would receive this amount of funding in Year 1.

For local funding amounts, applicants will need to contact their local offices or LEA.

*All budgets should balance indicating strong budgetary skills. Any negative fund balances will, more than likely, generate additional questions by those evaluating the application. If the applicant is depending on other funding sources or working capital to balance the operating budget, please provide documentation such as signed statements from donors, foundations, bank documents, etc., on the commitment of these funds. If these figures are loans, the repayment needs to be explained in the narrative and found within the budget projections.

Assurances are needed to confirm the commitment of these additional sources of revenue. Please include these as Appendix M.

Soaring Eagle Charter School

Farmville, N. C. 27828

Dear Dr. Grimes:

It was with a great deal of interest that I read in this week’s Farmville Enterprise about your recent success in obtaining a charter school—Soaring Eagle—for the Farmville community, to be located at the H. B. Sugg Community Center. For sure, this is good news for Farmville and surrounding area.

My record shows that I am a strong advocate for Farmville public schools. However, I do not view this school as a deterrent to existing schools, but rather a viable alternative for those students that may have difficulties fitting into the larger school environment.

Finally, I want to commend you for your tireless effort to make your dream of a charter school in Farmville a reality. I know it was not an easy task and one that a less dedicated person would have abandoned long ago.

I wish you continued success!

Respectfully,

Robert L. Evans  
Mayor, Town of Farmville

The foregoing application is submitted on behalf of The Soaring Eagle Academy. The undersigned has read the application and hereby declares that the information contained in it is true and accurate to the best of his/her information and belief. The undersigned further represents that the applicant has read the Charter School Law and agrees to be governed by it, other applicable laws, and SBE regulations. Additionally, we understand the final approval of the charter is contingent upon successful completion of a mandatory planning year. Per SBE policy “Planning Year for New and Preliminary Charter Schools – CHTR 013, all new nonprofit boards receiving a charter must participate in a year-long planning program prior to the charter school’s opening for students. The planning year provides an applicant time to prepare for the implementation of the school’s curricular, financial, marketing, and facility plans. During this planning year, regular meetings are held with the Board of Directors and consultants from the Office of Charter Schools to provide information on the following topics: school opening plans, staff development, finance, governance, board training, marketing, policies and procedures, securing a school site, and hiring a school administrator. Final approval of the charter will be contingent upon successfully completing all of the planning program requirements.
