

Are these SMART Goals? Why or Why not?

Student Achievement:

- A. 90% or more of PCS students will pass EOGs and EOCs annually.
- B. All students will make one year of academic growth or more in each academic year.
- C. Students performing below grade level will perform on grade level within three (3) years of participating in the Wilson Preparatory Academy program.

Community Engagement:

- D. Percent of students in grades 5-8 participating in service learning projects quarterly. Target: 100%.
- E. Percent of parents indicating school/community engagement at a level of Excellent on annual parent surveys. Target: 85%.

First Grade:

- F. For the current school year, all of my grade 1 students will make measurable growth on PALS by increasing their scores on the word list and spelling subtests by 5 points.
- G. In the spring 2013, 90% of my students will meet the spring benchmark (35).

Music:

- H. During this school year, 100% of my students will demonstrate measurable progress in music.

Engineering:

- I. All students will move up one competency level on each point of the student guided portfolio.

Writing:

- J. By the end of the school year, 80% of the students will make progress by at least one stage of development on the elementary writing rubric.
- K. 2nd grade students in math intervention will have a 7 point increase on Easy CBM from fall 2013 to winter 2014.

Math:

- L. The 3rd Quarter math assessment will be administered in April and will measure students' cumulative understanding of grade 3 math content taught by this point in the school year.

Reading:

- M. All students in reading intervention classes will have a 7 point increase on program common formative assessments from fall 2013 to winter 2014.

Kindergarten:

- N. By November 2013, 80% of kindergarten students will be able to successfully identify a list of randomized numbers.

High School Biology:

- O. A minimum of 90% of all students; 66% SPED and 75% ELL students will answer more than 25/50 questions correctly on posttest (using released Biology SOL questions) and/or pass the EOC Biology SOL.

Mission:

- P. Gray Wolf will prepare all students to succeed in a global society by providing a diverse, collaborative, and academic climate empowering 70% of students to be proficient by 2016.
- Q. Turkey School will offer students in grades 5-12 a rigorous college preparatory curriculum in an environment that fosters the development of strong character
