

2018–19 School Performance Grades and School Accountability Growth by Percentage of Students Identified as Economically Disadvantaged

This report contains the School Performance Grades and school accountability growth designations for schools by the percentage of Economically Disadvantaged Students (EDS). The percent EDS is divided into five strata: 0–20%, 20.1–40%, 40.1–60%, 60.1–80%, and 80.1–100%. Each table below shows whether the percent of schools is within +/- 3 percentage points of the state-level data or above/below this range.

Green: +/- 3 percentage points of the state-level percentages

Blue: 3 percentage points or more above the state-level percentages

Yellow: 3 percentage points or more below the state-level percentages

Due to changes to the economically disadvantaged status of schools from year to year, comparisons are limited.
