## OCS West Regional Huddle

Thursday, July 26, 2018

Pine Lake Prep | 104 Yellow Wood Circle, Mooresville, NC 28115

Welcome to the OCS West Regional Huddle! Regional Huddles are full-day workshops for charter school leaders, staff, and board members. We are excited to spend the day digging into many important topics with all of you through informational workshops and panels about charter school governance, finance, serving exceptional children, curriculum and instruction, and much more. There will also be new charter school applicant training.

This huddle is possible thanks to the generosity of the team at Pine Lake Prep. Many hours of planning and preparation went into this huddle, so **please take a moment to thank our hosts** for their hospitality, expertise, and for providing lunch!
