Work through the next steps for *EACH* School you have.

Step 2 – Choose a date that a child *first started attending* your program. School Year 16-17.

Step 3 – Click the Select box next to each child who started on that day.

Step 4 – Click the Add Selected Student(s) button. This is how you will be adding students to your roster.

You can select more than one student at a time – *as long as they started on the same day*. The students names will disappear from the list after you have selected them.

Additional Help & Resources

- <http://www.ncpublicschools.org/21cclc>
 - Webinars & presentations
 - Fiscal Guidance Manual
- CCIP
 - Program Administrators can assist
- 21DC
 - Webinars to be scheduled for end of August (prior to start of programs), May begin preliminary data entry prior to program start
 - Caveat: Feeder Schools' roster will not be stable until ~20 school days in (for traditional schools), so attendance might initially be dicey
