

### **Verification of NC License**

Use this application to request that NC DPI verify your North Carolina professional educator's license for other state licensing boards.

**Please note that this application cannot be used for renewals.**

#### **Instructions:**

1. Attach details of your request, including the name and contact information for the other state licensing board. Please indicate how and to whom the documentation needs to be sent.
2. If you require a form to be completed by NC DPI on your behalf, the form must be attached to your application.
3. Submit the application and pay the nonrefundable and nontransferable processing fee.
