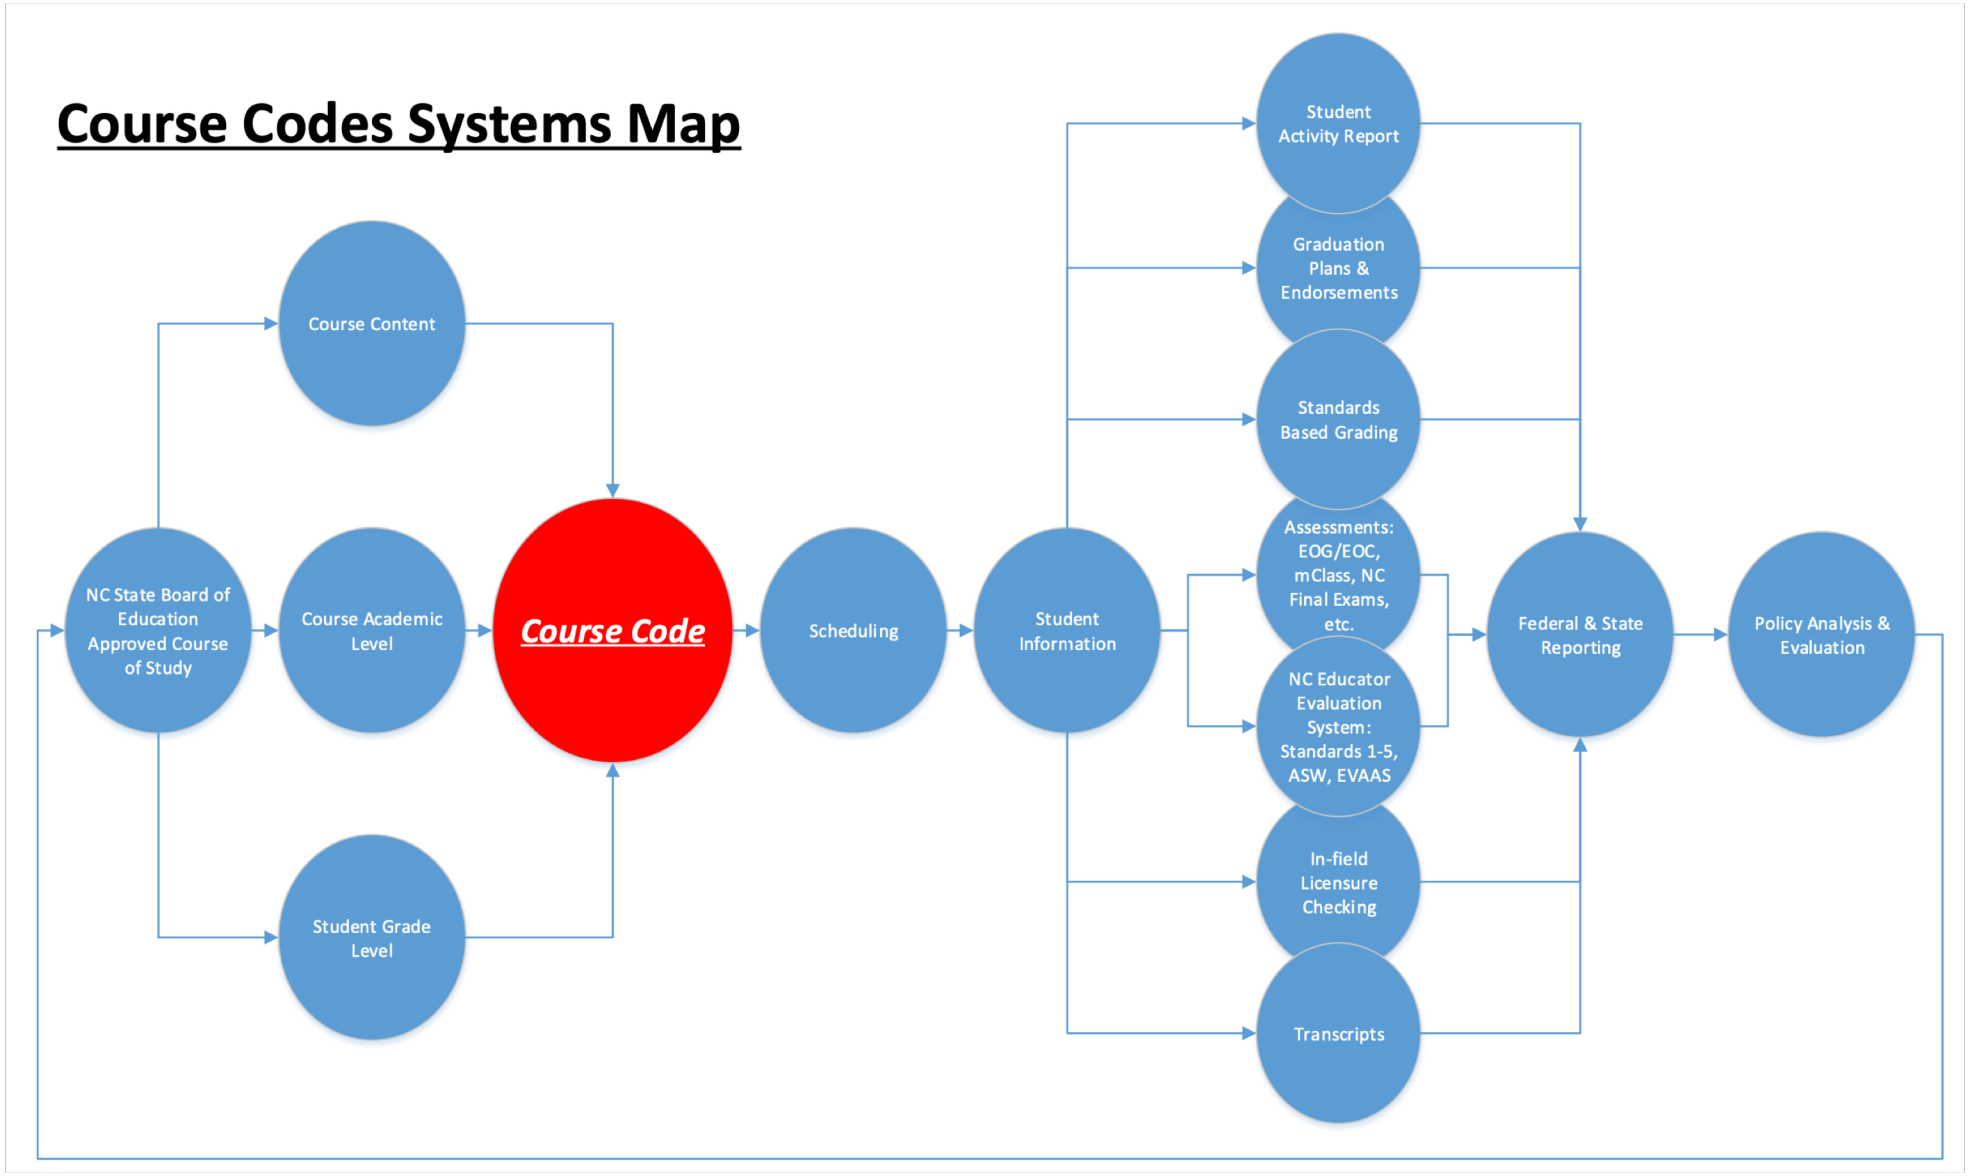
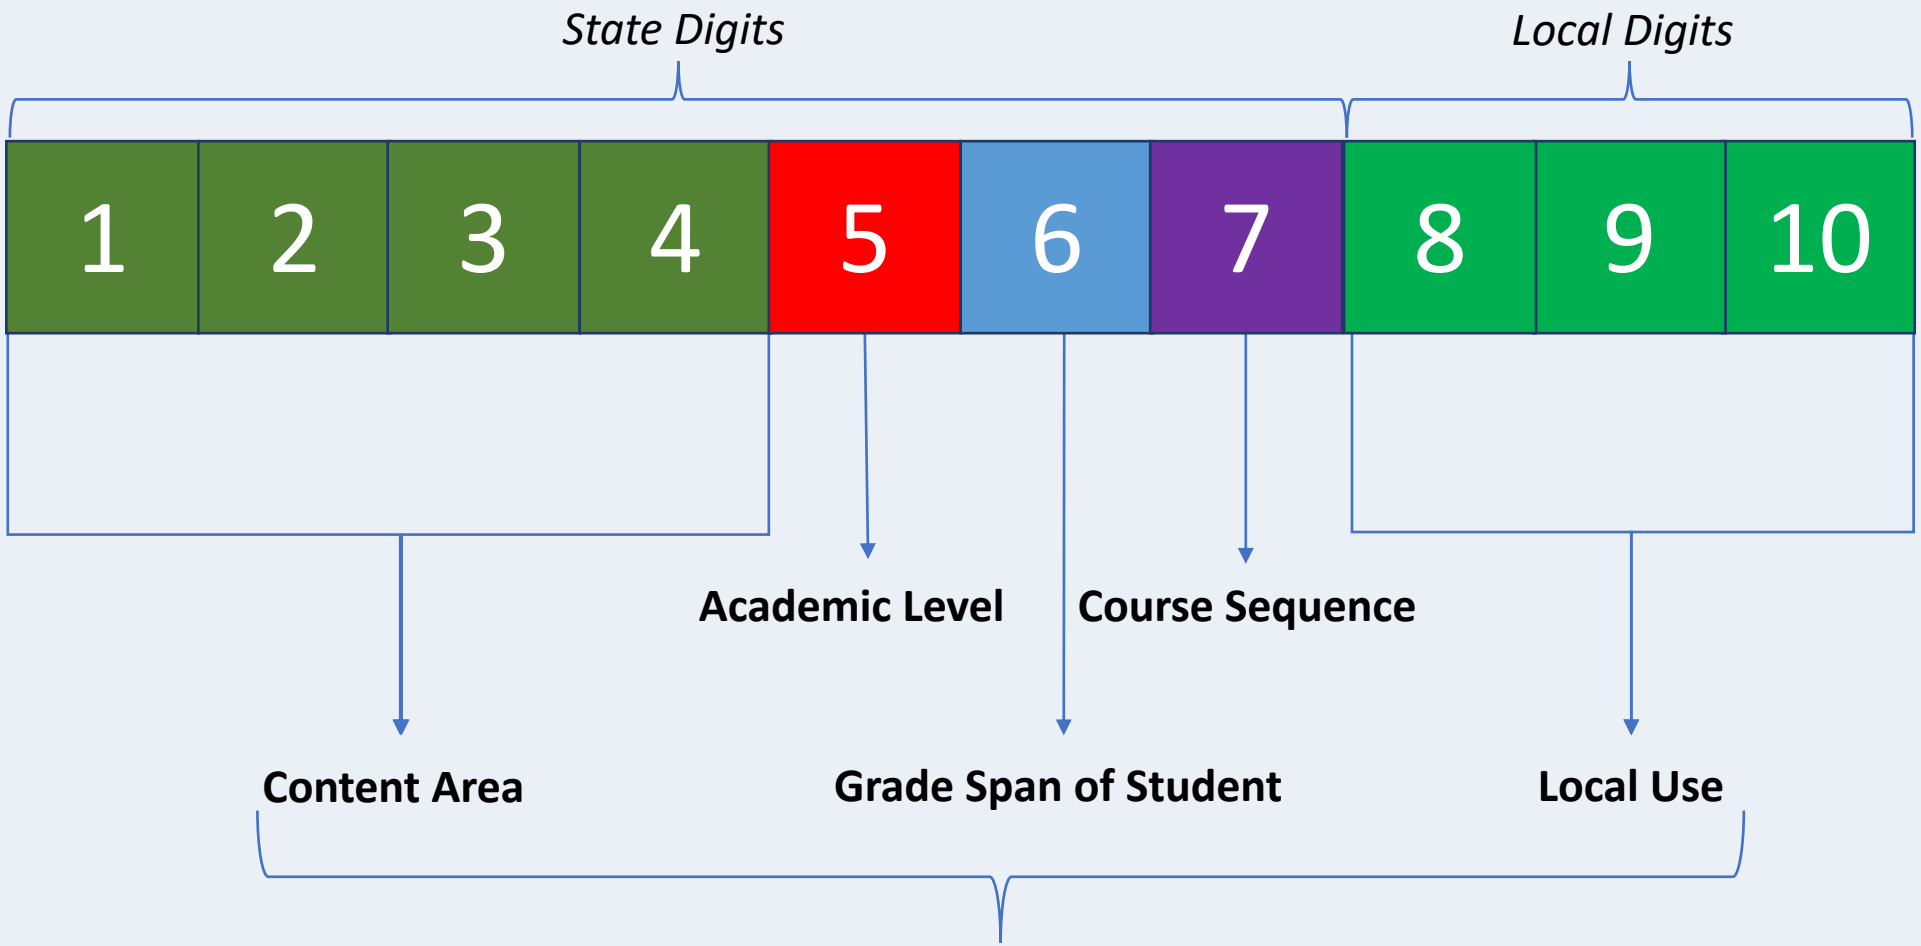
Course Codes Systems Map

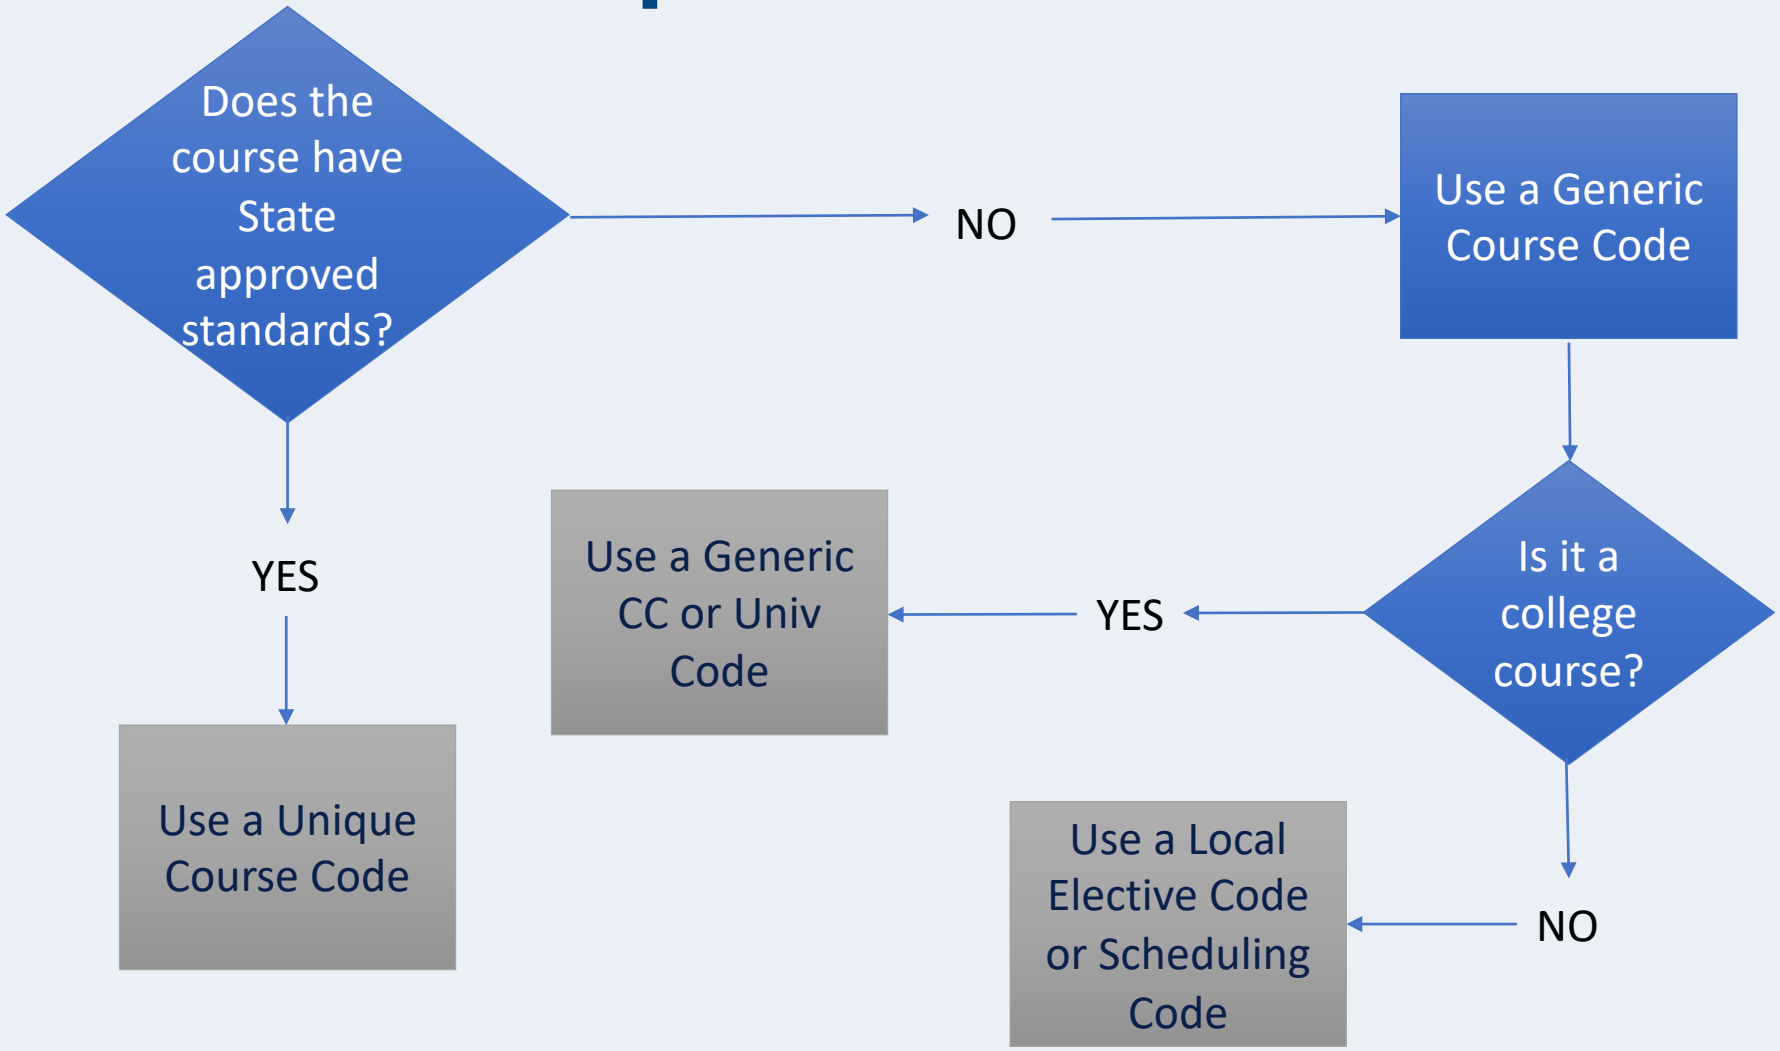


Coding Scheme

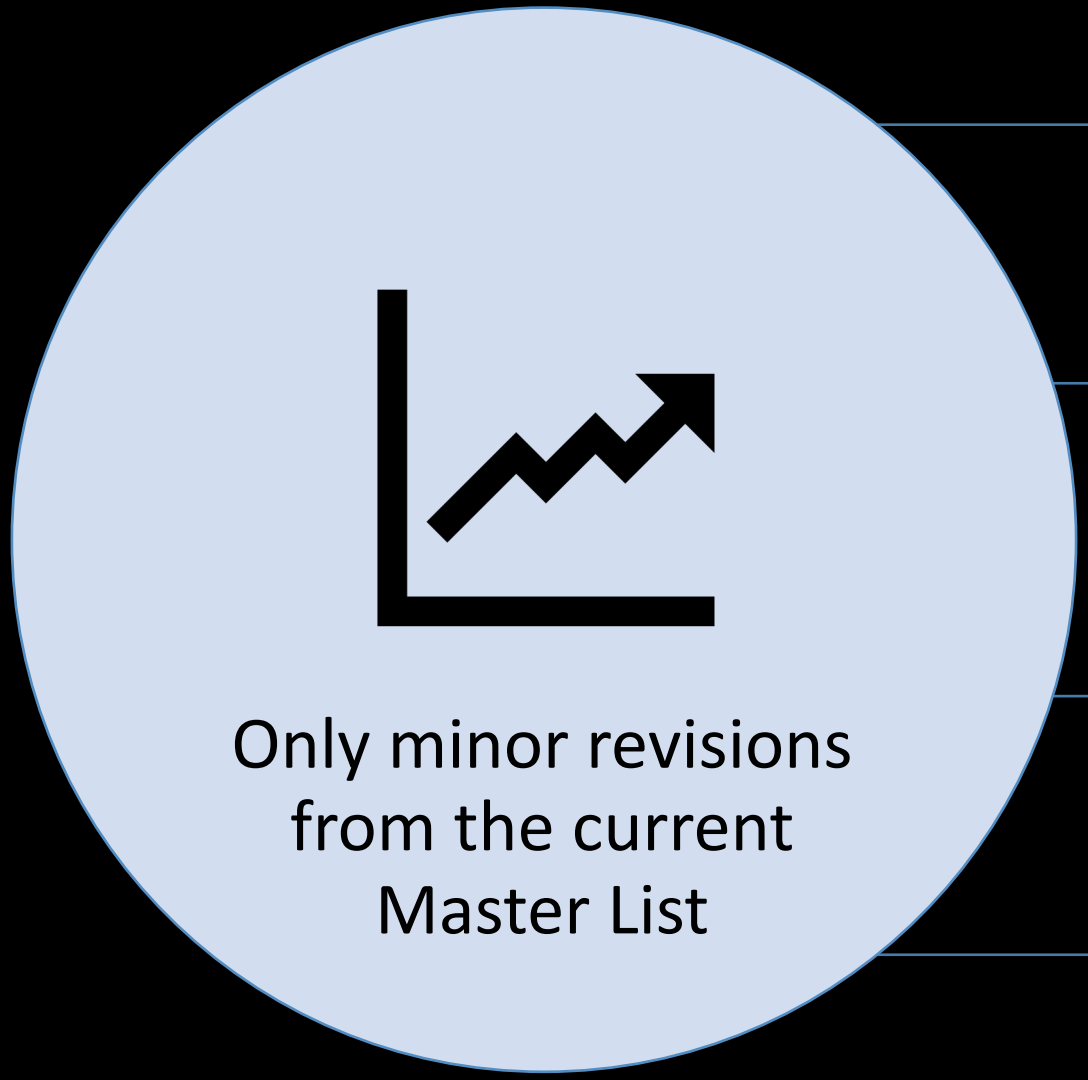


Example: English I Honors = 10215X0(xxx)

Generic vs. Unique Codes



2019-20 SY Master List Updates



Only minor revisions from the current Master List

New CTE Local Course Options added

(title changes will be reflected after EOY 2019)

New IB Math Courses:

- Analysis and Approaches (SL/HL) – 2I068X0 / 2I078X0
- Applications & Interpret. (SL/HL) – 2I088X0 / 2I098X0

AP World History Update:

- Current AP World History (4A087X0) will no longer be available
- New AP World History: Modern (4A097X0) will be available – pending SBE approval for satisfying World History graduation requirement

Essentials of College Math (SREB) (24082X0) will no longer be available

CTE CCP Course Coding

All non-CAA college courses (including CTE) now scheduled with generic career cluster CTE course codes

Previous Issues:

- Inaccurate transcripts
- Misaligned credentials & CTE Pathways
- Prolonged customer wait time

New Process Announced: 2016-17 SY

Fully Implemented: 2018-19 SY

More information at: tinyurl.com/CTECCP

Credits for College Courses

Revised State Board of Ed. Policy (CCRE-001) changes the number of college semester hours equaling HS credit

Addresses inequitable credit on High School transcripts

Revised: Summer 2017

In Effect: 2018-19 SY

- 1 & 2 sem. hour courses within same subject area (e.g., MUS) may be combined (during same academic year)
- Generic less than 3 semester hour CAA course codes created
- Discussed at Dec. 2018 mtg; vote pending in Jan. 2019

All Things Course Codes

- Everything you need to know about course codes can be found here: http://www.nc-sis.org/courses.html
- Guidance Documents, Crosswalks, Master Lists, Memos, etc.
