PRC 174-School Nutrition

ESSER II Funds (\$10 Million) for School Nutrition (SL 2021-3 1.2(8))

- SBE approved allotment policy for PRC 174 to use \$10M to provide COVID support for School Nutrition.
- Funds may be used to provide recruitment and/or retention bonuses for School Nutrition personnel.
- Funds will be available to PSUs whose SFAs are approved to administer a Federally funded School Nutrition Program as of August 31, 2021.
- Allotment will be based on the PSU's ADM less the unexpended balance of CFR School Nutrition Funds as of July 31, 2021.

ESSER II Funds (\$10 Million) for School Nutrition SL 2021-3 1.2(8)

- The distinction between typical and atypical costs is an important consideration in the allotment these funds.
- Recruitment and/or retention of School Nutrition Personnel constitutes an “atypical cost” for School Nutrition Programs which helps ensure full use of the funds for the purpose for which they were intended.

ESSER II Funds (\$10 Million) for School Nutrition (SL 2021-3 1.2(8))

- Retention compensation may be subject to the provisions of the Teachers and State Employees Retirement System (TSERS).
- Since the payment of benefits for current School Nutrition Personnel is a "typical expense," the payment of the "TSERS portion" may be paid using School Nutrition funds.
- Use of the funds for recruitment purposes, should the SFA desire to do such, is not subject to TSERS.

What is the Education Stabilization Fund (ESF)?

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law. The act established the Education Stabilization Fund (ESF) and allocated \$30.75 billion to the U.S. Department of Education. The ESF is composed of three primary emergency relief funds: (1) a Governor's Emergency Education Relief (GEER) Fund, (2) an Elementary and Secondary School Emergency Relief (ESSER) Fund, and (3) a Higher Education Emergency Relief (HEER) Fund. The Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA Act), was signed into law on December 27, 2020 and added \$81.9 billion to the ESF. In March 2021, the American Rescue Plan Act (ARP Act), in support of ongoing state and institutional COVID-19 recovery efforts, added more than \$170 billion to the ESF. This site is dedicated to tracking, collecting, and disseminating data related to the ESF managed by the U.S. Department of Education. [More Information](#)
