INTRODUCTION

This document lists the tables used in the Department of Public Instruction's Power School Applications. The Power School tables and their elements can be referenced in 2 Sections:

1. The Power School Table section lists each table alphabetically and contains the table's elements, their data types, and their descriptions.
 - Primary Keys are **highlighted** and in **large bold** face print.
 - Secondary Keys are in **small bold** print.
 - Table Elements are listed in position order.
