This memorandum revises the current Fresh Fruit and Vegetable Program (FFVP) Fiscal Year (FY) 2020 funding allocations discussed in SP 29-2019, *Fresh Fruit and Vegetable Program: Funding Allocation Distribution*.

Due to an Agricultural Marketing Service transfer adjustment, the amount available for FFVP distribution for FY 2020 has been reduced from \$175.5 million to \$174.5 million. The updated State distribution amounts are included in the table attached.

State agencies with questions regarding FFVP should contact their respective regional offices.

Pursuant to the Congressional Review Act (5 U.S.C. §801 et seq.), the Office of Information and Regulatory Affairs designated this rule as not a major rule, as defined by 5 U.S.C. § 804(2).
