

**FOOD & NUTRITION SERVICE**  
**STANDARD TERMS AND CONDITIONS**

Effective February 15, 2022, all new grant awards, as well as amendments to existing USDA Food and Nutrition grants, are subject to the following Standard Terms and Conditions.

The USDA Food and Nutrition Service (hereinafter referred to as “Agency”) awards funding to the Grantee (hereinafter referred to as “Recipient”). By acceptance of this award, the Recipient agrees to comply with the terms and conditions of the award listed below.

The Recipient will conduct the project as described in its submission of the Standard Form 424 application and budget narrative, including any subsequent revisions, amendments and/or clarifications.

Important information regarding the award, including the Agency contact and CFDA number, is contained on the Grant/Cooperative Agreement Form FNS-529.

**STANDARD TERMS OF THE AWARD**

- 1. Funding:** The Agency will provide funds to the Recipient in the amount stated on the Grant/Cooperative Agreement Form FNS-529, Box 11, and as specified in the grant award letter, for use in accordance with this agreement. Funds will be provided at the Agency’s discretion through the Letter of Credit, Reimbursement, or in advance of need, upon receipt of a properly executed Grant/Cooperative Agreement Form FNS-529.
- 2. Performance Period:** The period of performance for this project is listed on the Grant/Cooperative Agreement Form FNS-529, Box 20 and 21, i.e., September 30, 2022 through September 30, 2026. The Recipient may only incur allowable costs during the period of performance. Any pre-award costs incurred prior to the period of performance must be approved in writing by the Agency. To maintain effective internal control over funds, the Recipient shall only withdraw funds for expenses incurred or anticipated within the period of performance. Should the Recipient need to withdraw funds earlier in anticipation of costs incurred in the first month of the period of performance they may do so as long as the draw is timely, i.e., minimal time elapses between the draw and expenditure.

All funds must be obligated and all program activities under the agreement (other than activities related to the close out of the agreement) must be completed by the Expiration Date listed on the Grant/Cooperative Agreement Form FNS-529, Box 21. The closeout of the agreement must occur within 120 days of the expiration date, and all obligations incurred under the agreement must be liquidated by this date.

All amendments or revision must be submitted in writing to the Agency Contact listed on the Grant/Cooperative Agreement Form FNS-529, box 7.

The Recipient may transfer costs within the approved direct cost categories to meet unanticipated requirements. However, as required in [2 CFR 200.308\(f\)](#) the Agency requires that prior approval be obtained for any budget revision that involves a shift of funds among line-items in excess of 10% of the total approved grant budget. Such revisions must be submitted in writing with a revised budget in the same format as the original budget. All other requirements within 2 CFR 200.308 shall also apply.

The Recipient must include justification with any proposed amendment/revision and budget changes. All requests for changes must be made at least 10 calendar days before the end of the grant period. Any request received after this time will not be considered.

**FOOD & NUTRITION SERVICE**  
**STANDARD TERMS AND CONDITIONS**

- b. The Agency has the right to:

  - c. In addition, in response to a Freedom of Information Act (FOIA) request for research data relating to published research findings produced under an award that were used by the Federal Government in developing an agency action that has the force and effect of law, the Agency must request, and the recipient shall provide within a reasonable time, the research data so that they can be made available to the public through the procedures established under the FOIA. If the Agency obtains the research data solely in response to a FOIA request, the Agency may charge the requester a reasonable fee equaling the full incremental cost of obtaining the research data. This fee should reflect costs incurred by the Agency, the recipient, and applicable sub-recipients. This fee is in addition to any fees the agency may assess under the FOIA ([5 U.S.C. 552\(a\)\(4\)\(A\)](#)).
  - d. As defined in [2 CFR 200.315](#), title to intangible property (see definition for *Intangible property* in [2 CFR 200.1](#)) acquired under an award or sub-award vests upon acquisition in the Recipient. A physical inventory of the equipment must be taken and the results reconciled with the equipment records at least once every two years. The Recipient will share the results of this inventory. A Tangible Personal Property Report, SF-428, must be submitted at award close-out to report the status of the equipment, if requested.

The Recipient will follow the Agency's equipment disposition guidance and procedures as defined in [2 CFR 200.312](#). Disposition procedures will be provided by the Agency.

11. **Sub-recipient compliance:** The Recipient will ensure that sub-recipients are in compliance with applicable Federal administrative requirements and cost principles. No funds shall be provided to an eligible collaborator or contractor before such an agreement is signed by all parties.

### PROCUREMENT STANDARDS

The recipient will adhere to all procurement standards, including those listed below, if applicable, as found in [2 CFR 200.318 through 2 CFR 200.323](#), however, State recipients will comply with [2 CFR 200.317](#).
