Finding Detail: For the month of October 2021, the ASSP production record indicated 1,130 snacks for the Dixon site and 546 snacks for the Adkin site with a total of 1,676 snacks to claim for reimbursement. The October claim total was 1,672 for both sites, an underclaim of four (4) snacks. The School Food Authority uses two (2) ASSP production records, one (1) for each site, for their daily count of snacks served. An error was made when compiling the two (2) production records for the claim for reimbursement.
