F: 1:	1 ()				
Finding 1 (After School Snack Program): The required 4-week program monitoring review of the ASSP was not completed.					
Finding 2 (After School Snack Program): Insufficient quantities of the fruit component are being provided to students. For three (3) days in September and two (2) days in October the students were provided a one-half (½) cup serving of fruit. The meal pattern requires a three-fourth (¾) cup serving of fruit.					
A potential reclaim of thirty-five (35) snack for insufficient components in the After School Snack Program in September 2024 equal \$42.35.					
A potential reclaim of twenty-nine (29) snack for insufficient components in the After School Snack Program in October 2024 equal \$35.09.					
Finding (Direct Certification Letter): The Direct Certification (DC) letters sent home to households does not include the required United States Department of Agriculture (USDA) nondiscrimination statement for School Nutrition programs.					
All materials and resources, including websites, that are used to inform the public about the USDA Child Nutrition Programs must contain the current USDA non-discrimination statement (FNS 113-1). The full version of the USDA Non-discrimination Statement must be included on USDA Child Nutrition Program materials including parent handbooks, program websites, free and reduced-price meal applications, and letters to households.					
Finding 1 (Local Wellness Policy): The current Local Wellness Policy (LWP) is not complete and does not meet the requirements of the LWP Final Rule which became effective July 1, 2017.					
(LWP	Finding 2 (Local Wellness Policy): The triennial assessment of the district Local Wellness Policy (LWP) was due by June 30, 2023. As of the date of the review, the week of October 21, 2024, the LWP triennial assessment has not been completed.				

Finding 1 (Procurement): The National School Lunch Act requires school food authorities (SFAs) to purchase, to the maximum extent practicable, domestic commodities or products as stated in the Buy American Provision. Peach and mango cups, originating from Thailand and Greece, are eligible for acceptance by the School Food Authority (SFA); however, written pre-approval from the School Nutrition Administrator is necessary before they can be accepted. All non-domestic food items must receive written pre-approval from the School Nutrition Administrator prior to being accepted for use in the school food service program.

Finding 2 (Procurement): The micro-purchase and emergency purchase logs are not utilized to record purchases made under each purchase procedure.
