## SEASONING LABEL PRINTING INSTRUCTIONS

All seasoning label templates are formatted for printing on the following labels. In the event you need to download the template to open the seasoning label files, a link has been provided.

Once the basic template is downloaded and saved you can open the **existing seasoning templates** and print without needing to make edits.

The screenshot shows the Uline website product page for 'Weather-Resistant Laser Labels - 4 x 3 1/3\"'. The page includes a navigation bar with 'Products', 'Uline Products', 'Quick Order', 'Catalog', 'Special Offers', 'About Us', and 'Careers'. The main content area features a product image of a box of labels and a list of features. A red circle highlights the feature 'Easy to format Microsoft® Word™ templates.' with a red arrow pointing to it from the right. Below the features is a table with columns for 'MODEL NO.', 'SIZE W x H', 'LABELS/SHEET', 'LABELS/BOX', 'PRICE PER BOX' (with sub-columns for 1, 2, 3, 5+), and 'ADD TO CART'. The 'ADD TO CART' column has a quantity input field set to '1' and an 'ADD' button. At the bottom of the page, there is a footer with links for 'Home', 'Contact Us', 'Help', 'All Products', 'Site Map', 'Product Index', 'Careers', 'Shipping Boxes', 'Plastic Bags', 'Catalog Request', 'Privacy / Terms', and 'Uline.ca / Uline.mx'.
