DISCLOSURE OF STUDENT'S ELIGIBILITY STATUS FOR FREE AND REDUCED PRICE MEALS MEMORANDUM OF AGREEMENT

I. PURPOSE AND SCOPE

The Office of School Nutrition of the North Carolina Department of Public Instruction and the Office of Federal Programs acknowledge and agree that children's free and reduced price meal eligibility information obtained under provisions of the National School Lunch Act (42 USC 1751 et. seq.) or Child Nutrition Act of 1966 (42 USC 1771 et. seq.) and the regulations implementing those Acts is confidential information and must be treated accordingly. This Agreement is intended to ensure that any information disclosed by the School Nutrition Programs in North Carolina to the Office of Federal Programs about children eligible for free and reduced price meals will be used only for purposes specified in this Agreement and for no other purpose(s). The Office of School Nutrition and the Office of Federal Programs recognize that there are penalties for unauthorized disclosures of this eligibility information that are enforceable under the law.

II. AUTHORITY

Section 9(b)(C)(iii) of the National School Lunch Act (42 USC 1758(b)(2)(C)(iii) authorizes the limited disclosure of student's confidential free and reduced-price meal eligibility information to specific programs or individuals without prior parent/guardian consent. The parent/guardian must be provided the opportunity to decline to share eligibility information prior to the disclosure of this information for the purposes of identifying student eligible for benefits under or enrolling student in the State Medicaid Program and the State Student's Health Insurance Program. Additionally, the statue specifies that for any disclosures not authorized by the statute, the consent of student's parent/guardians must be obtained prior to the disclosure. Federal or State mandated education programs may have access to student's confidential meal eligibility status for reporting purposes only. Local education initiatives are ineligible to receive this confidential information without prior written consent of the parent/guardian.

III. RESPONSIBILITIES

The **Office of School Nutrition** at the NC Department of Public Instruction will:

Ensure that the terms "free and reduced eligibility status" or any other terms related to the National School Lunch Act are not used in the disclosure of student's economic status to the person(s) directly authorized to receive the information. Instead, any disclosure of student's eligibility for meal benefits under the National School Lunch (and subsequent Acts and Regulations) shall be disclosed as follows:

The identified students are Economically Disadvantaged and qualify for supplemental education services under the provisions of the Title I Program

When required, obtain prior written consent from the parent/guardian prior to any disclosure not authorized by the National School Lunch Act or any regulations under that Act;

For the State Medicaid Program and the State Student's Health Insurance Program, notify parents/guardians of potential disclosures and provide an opportunity for parents/guardians to elect not to have information disclosed;

Disclose student's confidential meal eligibility status only to persons directly connected to the administration or enforcement of programs authorized access under the National School Lunch Act or regulations under the Act or to programs or services for which parents/guardians gave prior written consent to use the information for a specific purpose; and

Ensure any misuse of the information concerning student's socioeconomic status is reported immediately to the Office of School Nutrition at the NC Department of Public Instruction.

The **Office of Federal Programs**, on behalf of the Title I Program will:

Ensure that only the persons (shown in the attachment) who are directly connected with the administration or enforcement of the **Title I Education Program** and whose job responsibilities require use of the eligibility information will have access to student's confidential meal eligibility status and other pertinent information:

Title 1 Director

(See attached list of names of personnel authorized to receive the confidential information)

Use children's free and reduced-price meal eligibility information for the following specific purpose(s):

To calculate poverty percentages of each school in the district to determine Title I eligibility and within-district allocations.

Inform all persons that have access to children's confidential free and reduced-price meal eligibility information of the following:

- (1) The information is confidential
- (2) A student's confidential eligibility information must only be used for purposes specified above
- (3) No mention of the terms of use in conjunction with the National School Lunch Act (i.e. free and reduced) may be used when communicating (print, verbal, electronic or other media) this information; and
- (4) The penalties for unauthorized disclosures
- (5) None of the information obtained from the School Nutrition Program may be downloaded or entered into PowerSchool or any other data management system in the school or district.
- (6) None of the information obtained from the School Nutrition Program may be disclosed to a third party for any purpose; disclosure to a third party constitutes a breach of the MOA and may result in revocation of the district's authorization to receive the data in the future.

Protect the confidentiality of children's meal eligibility information status and/or socioeconomic status as follows:

- Files with student names/identifiers will not be transmitted electronically;
- Files will be locked in the office of the Title I Director when not in use;
- Files will not be left unattended at any time for view by any other unauthorized person;
- A letter informing authorized recipients of the confidential nature of this data will be provided to all Title I Directors.

Protect the confidentiality of student's meal eligibility information and/or socioeconomic status during the transfer of information:

Files will be hand delivered to the authorized recipients (Title 1 Director) and returned in the same manner to the School Nutrition Director or destroyed by shredding or other appropriate means. Updated lists should be made available upon request within 5 business days.

The recipient of this information agrees to protect the confidentiality of student's meal eligibility status and/or socioeconomic status as follows:

The Office of Federal Programs will obtain an electronic report of students qualifying for free or reduced-price meals. The information will be distributed to authorized persons (attachment 1) via a secure website or through hard copy distribution at the PSU. Students will be identified only as economically disadvantaged and will not be identified by their free and reduced-price eligibility status. PSU personnel who have access to student's confidential meal eligibility status (as reflected by their qualification for free and reduced-priced meal benefits) will not release the information in any manner to school staff except as specifically allowed in Part III of this agreement.

The recipient of this information agrees to protect the confidentiality of student's confidential meal eligibility status and/or socioeconomic status during the transfer of information.

The information about economically disadvantaged students will be transferred electronically at the State level. The PSU and Title I Program personnel who have a demonstrated need to know the student's confidential meal eligibility status in order to provide the support services as required under Federal law may access the information. Electronic files will be stored securely and destroyed when they are no longer needed.

IV. EFFECTIVE DATES

This agreement shall be effective from July 1, 2023 – June 30, 2024.

V. PENALTIES

Any person who publishes, divulges, discloses, or makes known in any manner, or to any extent not authorized by Federal law (Section 9(b)(2)(C) of the National School Lunch Act; 42 USC 1758(B)(2)(C) or a regulation, any information about a student's confidential eligibility for free or

reduced-price meals shall be fined not more than a \$1,000 or imprisonment of not more than 1 year or both. Further, in accordance with the annual agreement between the School Food Authority and the NCDPI and SBE, penalties for disclosure of this information to an unauthorized third party may result in personnel action up to and including dismissal.

VI. **SIGNATURES**

All parties acknowledge that student's confidential free and reduced-price eligibility information may be used only for the specific purposes stated above; that unauthorized use of student's confidential meal eligibility status or further disclosure to other persons or programs is prohibited and is a violation of federal law which may result in civil and criminal penalties.
