

Food and Nutrition Service

U.S. DEPARTMENT OF AGRICULTURE

Date: May 14, 2025

Memo code: SP 12-2025

Subject: Paid Lunch Equity: Guidance for School Year 2025-2026

To: Regional Directors, Child Nutrition Programs, All Regions

State Directors, Child Nutrition Programs, All States

Purpose

The purpose of this memorandum is to provide guidance to State agencies and school food authorities (SFAs) on the paid lunch equity (PLE) requirements for school year (SY) 2025-2026. This memorandum explains the PLE exemption provided in Full-Year Continuing Appropriations and Extensions Act, 2025 ([Public Law 119-4](#)) (the 2025 Appropriations Act), March 15, 2025. This memorandum also provides guidance for SFAs that do not qualify for the exemption.

Guidance for Paid Lunch Pricing for SY 2025-2026

Under the 2025 Appropriations Act, for SY 2025-2026, only SFAs that had a negative balance in the nonprofit school food service account as of June 30, 2024, shall be required to establish a price for paid lunches according to the PLE provisions in Section 12(p) of the Richard B. Russell National School Lunch Act (NSLA) ([42 U.S.C. 1760\(p\)](#)) and implemented in the National School Lunch Program (NSLP) regulations at [7 CFR 210.14\(e\)](#). This memorandum provides notice that any SFA with a positive or zero balance in its nonprofit school food service account as of June 30, 2024, is exempt from PLE pricing requirements found at [7 CFR 210.14\(e\)](#) for SY 2025-2026. Therefore, the guidance that follows is separated into two categories: SFAs that qualify for the exemption and SFAs that do not qualify for the exemption.

SFAs Qualifying for the SY 2025-2026 PLE Exemption

For SY 2025-2026, SFAs with a positive or zero balance in the nonprofit school food service account as of June 30, 2024, are exempt from PLE pricing requirements found at [7 CFR 210.14\(e\)](#).

Because the 2025 Appropriations Act affects one school year only, FNS recommends that State agencies maintain documentation that includes which SFAs are using the PLE exemption for SY 2025-2026 in order to demonstrate State agency oversight of this provision. This documentation should include a record that each SFA implementing the exemption had a positive or zero balance in the nonprofit school food service account as of June 30, 2024. This record could include documents such as a financial ledger or an attestation provided by the SFA. This documentation may be reviewed by FNS upon request.

While not required, exempt SFAs may still use the PLE tool to complete the steps necessary to determine their target SY 2025-2026 paid lunch price, consistent with Program regulations at [7 CFR 210.14\(e\)](#), and adjust their paid lunch prices accordingly. Please note, the SY 2025-2026 PLE tool and instructions will be provided in a separate communication.

SFAs Not Qualifying for the SY 2025-2026 Exemption

SFAs that had a negative balance in the nonprofit school food service account as of June 30, 2024, must follow PLE requirements according to [7 CFR 210.14\(e\)](#) when establishing their paid lunch prices for SY 2025-2026. SFAs may use the forthcoming SY 2025-2026 PLE tool, or an equivalent procedure, to determine their required paid lunch prices.

In the PLE tool, or via the equivalent procedure, SFAs may use the prices they last charged students as the basis for their SY 2025-2026 paid lunch price calculation, even if those prices were charged during a year the SFA was not required to comply with PLE requirements. For

example, SFAs that were exempt based on the FY 2024 Appropriations Act¹ may use prices charged during SY 2024-2025 to determine their PLE requirement for SY 2025-2026.

If an SFA did not charge for meals during SY 2024-2025, such as an SFA that operated the Community Eligibility Provision, Provisions 2 or 3, or a State funded non-pricing option and is returning to standard counting and claiming in SY 2025-2026, it may use the most recent paid lunch price data as the basis for its SY 2025-2026 paid lunch calculation. If an SFA is unable to find documentation of the last paid meal price charged to students, then it must follow FNS guidance for new schools found in [*SP 39-2011: Guidance on Paid Lunch Equity and Revenue from Nonprogram Foods | Food and Nutrition Service \(usda.gov\)*](#).

Consistent with [7 CFR 210.14\(e\)\(4\)\(i\)](#), SFAs are not required to raise their paid lunch price by more than 10 cents for SY 2025-2026 from the last year they charged for paid lunches. SFAs may still choose to raise the price by more than 10 cents.

Reporting

As a reminder, while SFAs that meet the 2025 Appropriations Act's criteria are exempt from the PLE pricing requirements, all State agencies and SFAs must continue to report paid lunch prices for SY 2025-2026, as required by [7 CFR 210.14\(e\)\(7\)](#).

¹ On May 14, 2024, FNS issued SP 18-2024, CACFP 06-2024, SFSP 11-2024 - Consolidated Appropriations Act, 2024: Effect on Child Nutrition Programs, notifying States that any SFA with a positive or zero balance in its nonprofit school food service account as of June 30, 2023, was exempt from PLE pricing requirements found at 7 CFR 210.14(e) for SY 2024-2025. <https://www.fns.usda.gov/cn/appropriations-act-2024-effect>

State agencies are reminded to distribute this information to Program operators immediately. Program operators should direct any questions regarding this memorandum to the appropriate State agency. State agencies should direct questions to the appropriate FNS Regional Office.
