<p>Finding Detail: On the day of review, it was observed that the ASSP procedures were not being followed. The following items were observed on the day of review:</p> <p>Four (4) students did not take the required number of snack components at the Point of Service. After discussion with the Site Manager and School Nutrition Administrator, the snacks were not claimed for the day of review, Leftovers were not being handled properly. The Manager indicated that leftovers from the After School Snack program were being returned to stock and used for the National School Lunch and Breakfast programs, Milk utilized for the School Nutrition program must be kept separate from milk used for the After School Snack program. Milk is a highly perishable item and must be held properly to ensure the quality and safety of the product and Students attending an education and enrichment program are not required to participate in the snack program. On the day of review, a student declined the snack and was required to take one by the program administrator.</p>
