

North Carolina National Board Certification Funding Options

State Loan Information:

The state of North Carolina will lend a low-interest loan to cover the assessment fee for eligible teachers. The 3% interest loan is repaid over four years. Repayment is not required for the initial 12 months, which is an interest free time period. Monthly payments are made for three years following this interest free period. Please visit the NC Department of Public Instruction's website for additional information on the [Application for State Funding](#).

District Title I and Title II Funds:

Contact your school district to inquire if these funds are available. Please visit the NC Department of Public Instruction's website to identify your [National Board Certification \(NBC\) Coordinator](#).

All questions regarding funding for the National Board Certification process should be directed to:

Catrina Parker

Educator Advancement Coordinator
