

The Governor's School OF NORTH CAROLINA

A Summer Program for Gifted and Talented High School Students

2019 Alternate Audition Request Form

Visit www.ncgovschool.org for updated audition details. A nominee who cannot attend the in-person audition for any **predetermined** reason (e.g., schedule conflict, travel concerns, finances, etc.) may have a video-recorded audition, if the school agrees to produce/submit it according to prescribed standards. Both the in-person and alternate auditions are structured and rigorous; neither provides a selection advantage. All videos must be recorded and submitted prior to the in-person auditions. **NOTE:** This is not available for *Dance*; its format requires in-person attendance. Instead, there are two in-person Dance audition opportunities: in Raleigh on Saturday, Feb. 9 and in Statesville on Saturday, Feb. 16.
