Complete the current descriptive information by using norm-referenced, criterion-referenced, or any other valid data sources, as well as descriptive information for each of the relevant areas. Include current academic and functional performance, behaviors, social/emotional development, transition and other pertinent information. All areas assessed should be addressed and a determination made as to whether the data indicates an area is in need of specially designed instruction.

AREA(S) IN NEED OF SPECIALLY DESIGNED INSTRUCTION (SDI) must be addressed within the IEP (e.g. annual goals, accommodations, specially-designed instruction, behavior intervention plan, etc.)
