Program Overview and Eligibility to Apply

Jennifer Smith, State Coordinator of ELISS Program, NCDPI
Legislation Context

• Session Law 2021-3 [House Bill 196](#)
  • Appropriates $15,000,000 from the Federal Coronavirus Response and Relief Supplemental Appropriations Act (CRRSA) funds for the Extended Learning and Integrated Student Supports (ELISS) Competitive Grant Program for the 2021-2022 period (with potential for continuation of funding into 2022-2023)
  • Funds are available from date of award through September 30th of the following year
  • Funds must be expended in response to supporting at-risk students whose learning has been negatively affected by COVID-19 impacts.
Program Purpose

• The purpose of the Extended Learning and Integrated Student Supports Competitive Grant Program (ELISS) is to fund high-quality, independently validated extended learning and integrated student support service programs for at-risk students whose learning has been negatively affected by COVID-19 impacts.
The programs funded shall focus on the following:

- Deployment of multiple tiered supports in schools to address student barriers to achievement, such as strategies to improve chronic absenteeism, antisocial behaviors, academic growth, and enhancement of parent and family engagement.
- Alignment with State performance measures, student academic goals, and the North Carolina Standard Course of Study.
- Prioritization in programs to integrate clear academic content, in particular, science, technology, engineering, and mathematics (STEM) learning opportunities or reading development and proficiency instruction.
- Minimization of student class size when providing instruction or instructional supports and interventions.
- Expansion of student access to high-quality learning activities and academic support that strengthen student engagement and leverage community-based resources, which may include organizations that provide mentoring services and private-sector employer involvement.
- Utilization of digital content to expand learning time, when appropriate.
Eligibility to Apply

- Nonprofit corporations and nonprofit corporations working in collaboration with local education agencies (LEAs) are eligible to apply for the ELISS grant.

- *Restricts stand-alone applications from LEAs, charter schools, lab schools, or other governmental or educational agencies.*
ELISS Grant Awards and Duration

• State Board of Education has final funding approval
• Fund requests range up to $500,000 per year
• Total grant request should be based on size and scope of proposed project (including, but not limited to):
  • By number of program hours per week (EL and/or ISS programming)
  • By total number of program weeks per year, and
  • By number of student slots (EL) or case-managed students (ISS)
  • Wallace Foundation Out-of-School Time Cost Calculator
• Two-year funding cycle (as funds are available and contingent on making progress toward reporting requirements and program goals in addition to submission of a continuation of funding application in 2022)
• Proposed budget is NOT the final budget
• Funds are provided to sub-grantees on a REIMBURSEMENT BASIS
ELISS Grant Required Matching Funds

• $1 Match of Non-Grant Funds for every $3 of Grant Funds
• In-Kind Contributions can account for up to (but not exceed) 50% of Total Required Match Amount
  • Possible In-Kind Matching Funds: Physical Space, Transportation, Furniture or Equipment, Computer Software, Administrative Personnel
  • Possible Cash Matching Funds: Title I, Part A or Title IV Fund commitments, Cash donations, Local Funds, Community Block Grants
• Grant Narrative should include details on the source and type of matching funds
Program Type

Extended Learning

- For the purpose of the ELISS grant, extended learning is defined as services and activities that are offered to at-risk students in times outside of the traditional school day. Extended learning may include ELISS programs offered before school, after school, Saturday, summers, and intercessions.

Integrated Student Supports

According to research conducted by Child Trends in 2014, integrated student supports are a school-based approach to supporting students’ academic success by developing or acquiring and coordinating supports that target academic and non-academic barriers to achievement.
Who is served?

Programs must serve one or more of the following student groups:

- At-risk students not performing at grade level as demonstrated by statewide assessments, or not on-track to meet year-end expectations, as demonstrated by existing indicators, including teacher identification, and/or
- Students at risk of dropout, and/or
- Students at risk of school displacement due to suspension or expulsion as a result of anti-social behaviors.
Competitive Funding Priorities

1. Priority consideration shall be given to applications demonstrating models that focus services and programs in schools that are identified as low-performing, pursuant to G.S. 115C-105.37.
   - (2 Points) = 100% schools identified as LP
   - (1 Points) = if 51% - less than 100% of schools served identified as LP
   - State Low-Performing Schools 2019-2020 List

2. Academic Content Focusing on STEM learning opportunities and/or Academic Content Focusing on Reading Development and Proficiency Instruction (1 Point)

3. Non-profit corporation working in partnership with LEA(s) resulting in a match utilizing federal funds under Title I, Part A of the Elementary and Secondary Education Act or Title IV of the Higher Education Act to supplement the ELISS program (1 Point)
Regional Distribution of Awards

• There will **not** be priority consideration based on the region.

• (2) **ELISS grants will be awarded per each State Board of Education (SBE) region** of the state pending submission of quality applications by at least two eligible organizations in the SBE Region and following Level I and Level II reviews.

• After regional awardees are identified, additional organizations may be recommended for the award based on total application score and ranking, without regional consideration.
Quality Review Scores

• The NC State Board of Education Policy CNTR-001: Competitive/Discretionary Grant Proposal Review Process requires that grant proposals be included in one of five quality band categories: Excellent, Strong, Average, Weak, Unacceptable.

• Applications must fall into quality bands, Excellent (87-105), Strong (70-86), or Average (53-69) to be considered for funding.

• Applications that fall into quality band Weak (34-52) or Unacceptable (33 or below) will not be considered for funding regardless of the SBE Region.
Technical Deductions

• Technical reviews will ensure all required and related documents are complete, including all official signatures on all required documents.

• Any required document(s) not completed or submitted in its entirety and/or is missing handwritten or official electronic signatures will be considered incomplete in its submission and will receive a point deduction(s) for each incomplete required document submitted.

• Any technical review point deductions will be applied to the final score of the application, reducing the final score.
Performance Measures and Reporting

• Grant recipients shall report to the Department of Public Instruction for the year in which grant funds were expended on the progress of the Program, including alignment with State academic standards, data collection for reporting student progress, the source and amount of matching funds, and other measures. [Session Law 2021-3, SECTION 3.3.(12)]

• Grant recipients shall also submit a final report on key performance data, including statewide test results, attendance rates, graduation rates, and promotion rates, and financial sustainability of the program. [Session Law 2021-3, SECTION 3.3.(12)]

Register for a CCIP Training Session

Registration information is posted on the ELISS web page.

- For organizations that have NOT been trained on the system, attendance at a training session for using the grants management system, CCIP, is required in order for applicants to be set up as users in the system to allow organizations to submit a final application for review.

- The CCIP Training for the 2021-2022 RFP will be virtual and recorded.
Obtain a Dun and Bradstreet D-U-N-S number

• Each applicant is required to have a Dun and Bradstreet D-U-N-S number in order to complete the ELISS application through the CCIP system.
• D-U-N-S Number assignment is FREE for all organizations required to register with the US Federal government for contracts or grants.
• If you currently have a D-U-N-S number, you do not need a new one.
Register with the **System for Award Management (SAM)**

- Registering with the System for Award Management (SAM) is a required step for your organization to be able complete the ELISS application through the CCIP system.

- Confirmation that you have successfully registered your organization with the US Government’s SAM system must be uploaded to the Related Documents page of the Funding Application.

- To register with SAM, applicants must first have a D-U-N-S number, as well as a Taxpayer Identification Number (TIN) or Employment Identification Number (EIN).

- It can take up to two-weeks to register with SAM. SAM registration must be renewed annually.

- If you have a current SAM registration, you do not need to re-register, however, you will still need to upload your most recent SAM registration confirmation to CCIP. To check your registration status, search the records located on the SAM webpage linked above.
Use the SAM Status Tracker Now

Check registration status by typing in a DUNS Number.

Dear [Name],

The registration for [Entity Name] is now active in the U.S. federal government’s System for Award Management (SAM). If you did not provide a Commercial and Government Entity (CAGE) Code during the registration process, one has been assigned to you by the Defense Logistics Agency (DLA) CAGE Program.

In order to remain eligible to do business with the Federal government, you must renew your entity’s registration in SAM every year. The annual renewal date for the registration is 2022-01-20 11:31:15.007.

You may invite additional users to manage or review your entity registration by following these steps:

1. Go to www.sam.gov and log in.
2. Select Entity Users from the sub-navigation menu on the My SAM page.
3. Select Invite User from the Entity Users menu.
4. Select the desired entity from the Level List.
5. Provide invitee’s email address.
6. Assign role(s) to be associated with the user account.
7. Select Submit.

All invitees will receive an email message from SAM with instructions on how to complete the process.
Develop your Organization’s Proposal to be entered into CCIP

• Resources include:
  • RFP and Guidance Document
    • Please read this thoroughly to ensure understanding of requirements and to gain insights into program purpose
  • Application Planning Worksheet
    • Downloadable template that allows applicants to begin collecting and editing proposal content in a format simulating the CCIP application.
    • The Application Planning Worksheet document can be found on the ELISS Web Page.
Upload documents to the Related Documents section in CCIP

Eight (8) Required Documents

1. Basic Organization Information
2. Statement of Assurances
3. Budget Worksheet & Total Cost Certification Form
   • *Must include Collaborating LEA Superintendent Signature if seeking the Competitive Priority Point by receiving matching funds from Title 1, Part A or Title IV*
4. Data Integrity and Confidentiality Certification
5. Debarment Certification
6. Articles of Inc. & Registered Agent
7. Proposed Feeder School(s) & Low-Performing Status
8. SAM Registration Confirmation

• Purpose Code 5000
  • Instructional services include the costs of activities dealing directly with the interaction between teachers and students

• Purpose Code 6000
  • Support services include the costs of activities providing support for the ELISS program regardless of where these services are housed. These services provide administrative, technical, personal, and logistical support to facilitate, sustain, and enhance instruction

• Purpose Code 7000
  • Support activities not directly related to the provision of education for pupils; for the purpose of the ELISS grant, the only allowable ancillary services that can be charged to the ELISS grant would be nutrition services related to programming outside of the regular school day hours

• Purposed Code 8000
  • Non-programmed charges for the ELISS grant including amounts expended for indirect costs charged to the grant
  • Indirect Cost Rates (ICR); Non-LEAs use the State average rate of 3.098%

• Chart of Accounts; Purpose Codes and Object Codes Descriptions
General Budget Preparation

• All costs must be reasonable and necessary in relation to number of students and adults to be served

• All items must clearly relate to activities described in program design section of application and align with the Uniform Chart of Accounts (COA) for PRC 175 (pending approval)

• Inventories of equipment purchased with grant funds must be obtained and submitted for review annually

Tips – To Prepare

• Read and Understand the RFP Guidance before starting.
• Download and review all Required and Optional Documents so that you have time to obtain and complete the required commitments and supports, including matching fund requirements.
• Read the scoring rubric to be used in the grant review process very carefully so you understand what the reviewers will be looking for and if your program model is a good fit for this RFP.
Tips – To Develop Your Application

• Clearly identify the academic, attendance, or behavioral needs of targeted at-risk students with your LEA or school partners.

• Identify partner schools and develop a partnership agreement with school principals that describes the roles/responsibilities of the non-profit and the schools in implementing the program model for the at-risk students needing additional support.

• Be clear about your “end in mind” for targeted students in terms of desired outcomes to be measured (how you will use data to monitor student progress on key outcomes).

• Be clear about your program model
Tips – To Finalize Your Application

• Use the rubric to help frame how each section is written and entered into the CCIP (consider organizing your content to align with the rubric dimensions).

• Before you submit, have your colleagues or partner school principals review your draft application against the rubric and give you feedback about where it is unclear.

• Make sure your budget is aligned with the program model and number of students projected to be served and not just asking for the maximum funding.
