## Special Education Module

### **CTE and NCFE Test Changes**

Changes to CTE and NCFE state tests that were communicated in the Nov. 9 Monday Message, have now been fully implemented. Thank you for your patience.

### **Indicator 7 - Pause - Deadline Extended**

The ECATS vendor is currently working on the reported issues of access to the Student Level Report View screen and missing students for Indicator 7. A fix will be in place soon. Please hold off on corrections to these records until the issue is resolved. Once corrected, the vendor will need to de-certify all currently certified districts. This will require districts to re-run the report, fix any additional errors, and certify again. Unless a further extension is needed the new due date for Indicator 7 will be 12/4/2020. The EC Division will send an update when processing this Indicator can be resumed.
