Survey of Meal Distribution During School Closure as a Result of COVID-19 (Coronavirus)

Good morning all,

I can't say Thank You enough for all that you are doing to make sure our most vulnerable students in North Carolina have access to nutritious and healthy meals during this pandemic. We continue to receive wonderful communications of how you are making a difference and many have brought us to tears!

As I indicated on the call yesterday morning, data requests will continue to come by the minute..... and the next one is provided below. We will provide the link to the survey after today's 10:00 AM call. All SFA/Community Organizations must respond no later than **12:00 noon today, Thursday, March 19, 2020**. This information will be provided to Governor Cooper's office. Please note this data will continue to be collected on a weekly basis.

As a result of the short turn around, I am providing the questions that will be included in the survey, they are:

- SFA Name/SFA #

- **SFA Type**
- **County**
- **Is the SFA acting as a Nutrition Hub**
- **Total number of volunteers being utilized for meals service, delivery, etc.**

- **# Schools provided meals ONSITE**
- **# Schools provided meals OFFSITE**
- **# Sites provided meals ONSITE**
- **# Sites provided meals OFFSITE**
- **Of the total number of sites indicated in the previous question, how many sites offered meals to students via the following delivery methods:**
- **Grab & Go**
- **Curbside Pick-Up**
- **Drive Thru Pick-Up**
- **Online Ordering for Pick-Up**

This survey will be discussed in detail during the 10:00 AM conference call so please join in to make sure that you are correctly reporting the necessary data elements.

Sincerely,

Janet
