

Alternative Schools' Modified Accountability System Option C Reports for 2021–22

The Alternative Schools' Modified Accountability System allows three ways for schools to participate in the system:

Option A: Alternative schools may participate in School Performance Grades as defined by G.S. 115C-83.15 **or**

Option B: Alternative schools may participate in Option B as defined in 16 NCAC 06G .0314 of the administrative code **or**

Option C: An alternative school may propose its own alternative accountability system for approval by the SBE.

Schools requesting to use Option C submitted their proposed model to the State Board of Education (SBE) for review and approval at the October 2021 SBE meeting. By mid-August of each reporting year, individual reports are due from each school or district for submission to the SBE. This document is comprised of the results for the 2021–22 academic year as calculated by each school or district according to their Option C proposals.
