Indicator 12

Indicator 12 must be submitted via spreadsheet by all Traditional Public-School Units prior to the due date of October 31, 2022. Charter Schools and State Operated Programs do not need to submit an Indicator 12 spreadsheet this year. The Indicator 12 spreadsheet can be accessed from the ECATS Reporting website at:

Important Federal Reporting Reminder: Submission Timeliness

If your district does not certify the data required for Indicators by the due date, your data may be certified by state staff. The integrity of the data is always at risk when the Department of Public Instruction must finalize the data for your district.
