## G.S. 115C-105.37

### (a1) Plan for Improvement of Low-Performing Schools.

If a school has been identified as low-performing as provided in this section and the school is not located in a local school administrative unit identified as low-performing under G.S. 115C-105.39A the following actions shall be taken:

# Step 1

The superintendent shall proceed under G.S. 115C-105.39

☞ Within 30 days of the initial identification the superintendent shall take one of the following actions:

1. Recommend to the local board the principal be retained in current position\*
2. Recommend to the local board the principal be retained in current position and a plan of remediation be developed
3. Recommend to the local board the principal be transferred\*, or
4. Proceed under G.S. 115C-325.4 to dismiss or demote the principal

*\*Certain Conditions apply*

# Step 2

(Deadline: November 5, 2018)

Within 30 days of the initial identification of a school as low-performing by the State Board, the superintendent shall submit to the local board of education a preliminary plan for improving both the school performance grade and school growth score, including how the superintendent and other central office administrators will work with the school and monitor the school's progress.

# Step 3

Within 30 days of its receipt of the preliminary plan, the local board shall vote to approve, modify, or reject this plan. Before the local board votes on the preliminary plan, it shall make the plan available to the public, including the personnel assigned to that school and the parents and guardians of the students who are assigned to the school, and shall allow for written comments.

# Step 4

The local board shall submit\* a final plan to the State Board within five days of the local board's approval of the plan. The State Board shall review the plan expeditiously and, if appropriate, may offer recommendations to modify the plan

*(See next slide for submitting the plan\*).*
