53600 School Extension Learning Recovery and Enrichment Program Instructional Services (SELREP)

Personnel costs that provide additional learning experiences to mitigate the impact of students affected by Hurricane Herlene as stated in SL 2025-2/HB47. These expenditures include learning recovery and enrichment programs conducted outside of the instructional school calendar. Personnel will be temporary employees on a contract basis and pay under this program is not subject to Teachers' and State Employees' Retirement System (TSERS).
